It is a pleasure to pick up ideas from what  
they see, and frequently give amusing  
answers to their parents. Most families  
have had foul for while using the  
festive season, and while they are  
undergoing preparation for the oven  
they are curious and ask many  
questions some of which develop into  
eride ideas. A certain mother, some  
days after Christmas, while seriously  
conversing with her little boy asked a  
4-year-old if he knew what his heart  
was. Yes ma, it's a little piece of meat  
in my belly. It is needless to say that  
the seriousness of the question termin-  
ated abruptly.

Most people are well aware of the  
scarcity of money. Then keep the  
currency moving. One dollar will do  
more in a day if kept briskly moving  
from one person to another than a  
bundled dollar will do in a month in the  
pocket or vault.

Mr. A. Prawes' team left so tickled on  
account of the advent of a little  
sleighing last Monday morning that  
they took a spin up Main street and  
pulled up in the Markdale House stable  
yard more the worse. They didn't  
have a driver at the time.
