WOMAN OUTLIVES MAN.

behalf of his friend and parishioner, the Prime Minister, the Liberal press in Ontario furiously raged for that the Conservatives dushed the Abbe Mr. Laurier's agent. At the same time, in the province of Quebec the papers supporting the Government extolled the picty of the Promote inter who, they said, was seeking the sanction of His Holiness the Pope to the Manitola choice settlement. We know that the Abbe returned to Canada without having met with any signal success, and hat Chevalier Drolet, of Montreal, arrived in Rome soon after the departure of the Abbe for Canada. Mr. Drolet was one of the Papal Zougves religious and in the provincial legislature has not been perfectly and the provincial legislature has not been elequite so well as it might have been some good hard blows! The Opposition in the provincial legislature has not been cruited in Canada to light for the maintenance of the Pope's temporal power. He is in high favor at the Vatican and is one of M. Laurier's personal formula in the provincial legislature has not been the pro Laurier's personal friends. instructed to lessay the task at e Proulx had failed. He has which A returned to the Dominion and the other day bandal out a statement concerning the negoti tions. The ingenuous Chevalier commences his account of his embassy by the statement that he was not the reprethe negoti the Government. Of course, knows that the gentlemen sentative now in power here did not pass an Ordernow in power here did not pass an Order-in-Council appointing Mr. Drolet their plepipotentiary to the Vatican! That would have been impossible as well as im-politic. But, as we all know, there are times when an understanding need not be formulated in terms. Mr. Drolet assures in that he went to Rome at the in Council a plenipoter ti would have request of a number of prominent poli-ticians to place their grievances before the Papal authorities. And, thought the Chevalier does not nominate these politicians we may well believe that Mr. Laurier, the tricess Tarto and the other Krench, and Catholic members of the Government were of the number. Mr. Drolet then goes on to tell his readers that he made some amazing discoveries in Rome. One of them—and the most important, in his opinion, was that some inknown 'miscreant — a Contraction n' miscreant — a .Conservative by — had persuaded Cardinal will, the Prefect of the Propa-that Mr. Laurier was a Free mason. This statement Mr. Drolet in-dignantly denied, and produced a letter from Mr. Laurier in which the Premier

the greatest plety. One of the was so much impressed by Mr. Laurer's letter that, we are assured, be expressed the belief that the Premier seemed to be "the only man, in Ganada now engaged in preaching the gospel." No doubt the awful story about Mr. Laurier's connection with the Fromasons was considered to be effectually discovery. by this confession of faith Drolt went on to state that certain tops in Quebec had used undue inno in the past election, and he sought the Pope to interfere. The con-cluding paragraph of the statement ex-presses the opinion that a Papal envoy will be sunt out to Canada to bring the bishops to time. None of us will be sorry to see politics in Quebec entirely directed

is a wise thing to cultivate a pleasant manner toward all. "Oh, why should the spirit of mortal be proud?" must be an inscrutable puzzle from any true and just point of view. "Pride goeth before destruction, and a haughty spirit before destruction, and a haughty spirit below a full," is as true to-day as in the long ago when it was written. Pope calls pride "the never-falling vice of fools," and wisely, too. There is in pride and hateur not interfere in politics—against the Lib-orals of course. Mr. Laurier has said that he will take his religion from the priests, but not his politics—If he felt brave pride to virtue. Why, then, be proud and haughty? Rich or poor, high or low, should shun its narrowing spirit; and learn to practice a pleasant manner, a courteous spirit of kindness toward all whose was a man to the state of whom we may meet in this world.—Alexander Macauley.

Not long ago it was stated in this correspondence that Clifford Sifton had de-termined to place one of his henchmen, ex-Mayor Smart, of Brandon in the position of Deputy Minister of the Interior. Sifton has not been long in carrying out his intention. Mr. Burgess, the efficient Deputy Minister of the Interior, has been offered the choice of district of the choice o fered the choice of dismissal or accepting an inferior position. Of course, if Mr. Burgess be reluctant to accept a post under the new man, there are plenty of good Liberals who are ready to take the office. Meanwhile Sifton has rewarded Smart for his aid in October the spoils system once more is shown to too spoils system once more is shown to be an integral part of the honest government of the 'Liberils. Nothing much could be expected from Sifton, the gentleman who won't pay his indebtelness to the people of Winnipeg, but what of the repreachless knight Wilfrid Lauriers Where are his promises of conciliation and square dealing? Mr. Laurier must have known when he made them that he could never carry them out, or, now that could never carry them out, or, now that he is leader, he must be in the position of the man who would like to do a cer-tain thing but is prevented by his follow-ers. And then the question comes in: Who leads, Mr. Laurier or certain of the

venteen gentlemen who are his col-Pleasant People. It is a pleasure to meet people who are pleasurt, affable and kind, who do not seek to extinguish your with disdain or himiliate you with indifference. People can be over-pleasure as well as over-pleasure, but the former is infinitely preferable. Habit has something to do with can be over-pleasaint as well as overbearing, but the former is infinitely prefer able. Habit has something to do with, a man be a stronger element—certainly, when men have contracted habits of pride and insolence that are almost brutal. Money enters into the life of some men and makes them haughty and overbearing, who, lacking it, would have been kind and considerate. Jesus invelghed most strongly against pride and haughtiness, and said the publican was justified rather than the proud Phance, for all the lengthy prayers of the latter. The stronger of the shortness of the latter of the shortness of the latter. The stronger is the of the shortness of the latter of the shortness of the latter. The stronger of the shortness of the latter of the shortness o the lengthy prayers of the intent. In view of the shortness of-life and its many unayoldable cares and troubles, we think is

However we will bit him tell his own story on that head.
On October 15th, 1896, we took a trip o Mud Lake to visit the haunts long in number and even they are not unaffected by the growing Soofi belief,
which saturates Persian literature, and looked for, as an familiar to us, and made it a duty and found it is pleasure to call upon Mr. Thompson and learn from seeing him and hearing, his account of it how he had been cured. For twenty-flyd years we had known him as a gasping, suffering known him as a gasping, suffering asthaintic, the worst we eyer knew who managed to live at all. We often wonlered how he lived from day to day. On calling he met us with cheerful aspect and without displaying a trace of his old trouble. Being at once with Persia. Cocasionally, when the church missionaries seem too openly active the paid Moollar try to excite the mobile terrify the carryes, but they treat the bishon and his colleagues with profound respect, as their fathers treated Honry Martyn at Shiraz. Six converts from Islam have recently been baptized in Julfa alone, in spite of the legal death penalty, and they are most offictive agents among their kindred and countryabout the benefits he had using Dr. Williams' Pink Pills. "Beyond using Dr. Williams' Pink Pills. "Boyond doubt," said he. "How long have you used them, and how many boxes have you used?" he was asked be next asked bin if he felt was permanent. "Well," was how taken any of the pills for three or four months. Still I Jum not estimate satisfied yet. You see my father, grand-father, and, great-grandfather died of thing. Knowing my family history it is hard for me to gain faith, but I can tell you for nearly thirty years I have never slept in bed until I took link Pills. As you must have known, I always slept sitting in the chair you now occupy. I had a sling from that hook in the celling and always sat with my head resting

The large colony of Armenians in Julia presser and advance in outure, sending out representatives to Calcutta, Bonibay and the chief trading coffers of Southern Asia. Bishop Stuart finds them willing coadjutors, so that altogether Persia for the time presents a striking contrast to Turkey. The English mission in Persia gained a hold on the grafithde of the people in the famine of 1871-2, when Brites and Corden verses the other when Bruce and Gordon were the only men who saved the people, but the earlier, Sir John Malcolm and Martyn are bed when the other members of my family do." "How old are you, Mr. Thompson?" "Seventy-six," was the reply, "and I feel younger than I did thirty years ago, I was troubled a great deal with rheumatism and other miseries, neabably merchant trouble arising from Every trout fisherman knows that the fish in certain streams are abnormally probably nervous troubles arising from cultured in the matter of files, and have a well-defined contempt for a book that natism is gone with the is badly lied, or dressed to initate a fly that is dut of season. It would seem, however, that other fish beside the speck-led river fayorite of the sportsman, are being educated in the important, matter During the conversation Mrs. Thompeen children, came in and after listening to her husband's recital of these matter hat anything could cure S

she. "We were always trying to find something which would give him relief, so that he would be able to sleep nights, but nothing ever seemed to make much difference. At first he pills after each meal, but after a time he increased the dose to two. We noticed he hereased the dose to two we noticed a was greatly improved after taking two boxes and began to have hopes. Later on when we saw beyond doubt that he was much better, I recommended the pills to a niece of mine, Miss Day, whose blood had apparently turned into water and who had run down in health and spirits Liberal Workmen Have a Pull.

The Ministers have been considerably worried over the Crow's Nest Pass and other mutters, wherefore some of them, after the namer of eastern potentates, while his face was wreathed with nature made themselves easier in mind by paking other people, unconortable, A number of new dismissals have been annumber of new this juncture to attend to some household duties, and Mr. Thompson resumed the subject of his marvellous cure. "You for deep sea fishing on both the Pacific coast and the coast of Scotland. In the can have no idea," said he, "what it is can have no lotes, "said he, "what it as to go through twenty-five years without a good night's sleep without pain. I can find no words to make plain to you the contrast between the domforts I now enjoy and the awful life I had for so candescent light bulbs. The bulbs are first lowered into the depths of the sea and the lights are turned on. It is the lieved that this will draw the true ma long. I had a big family of mouths to feed and had to work when at times I felt more like lying down to die. I would come in at night completely tuckered out, but even that was no guarantee of rest. There was no rest for me. I seemed doomed to torture and continual misory.
When my folks urged me to try Dr. Williams' Pink Pills I thought it, would be useless, but I had to do something or die

find how few men know the proper way to step out. If the shoe is worn down at the hot on the side, but straight have but and the leather of the sole shows signs of weakness at the ball of the foot a little greater on the Inside just below. soon, and here I am as right as a fiddle."
The old gentleman shook his head to add emphasis to his last sentence, and looked like a man who felt joyful over a renewed lease of life, with all his old miseries removed.
After congratulating our old friend on his diverge from the her ditary destroyer of his kindred, we drovel away: At many places in the neighborhood we opened discussions upon the case and found that all regarded it as a marvellous cure. side, or is worn unevenly throughout, and the sole is worn most near the too, I show that I have to ideal with a poor pedestrian. The reason of the difference in position of the worn spot lies in the fact that the poor walker walks from his kines, and the groul one from his hip.

"Watch the passer by in the street and you will at once see the difference. Nine men out of ten will bend the knee very considerably in walking, stepping straight Where the Thompson family are known, no person would have believed for a moment that anything but death would relieve him from the grip of asthma.
Every word that is written here can be verified by writing Mr. Solomon Thomps son, Dalryuple post-office, and an inci-mate acquaintance of twenty-five years enables the writer to youch for the facts narrated above, and for the veracity of Mr. Thompson in any statement he may

the toe will be the first to strike the ground. The touth man will bend his knee fery little—just enough to stear the ground—and will swing the leg from the hip, very much as the arm is swung from the shoulder, and not from the ellow.

"By so doing he calls upon the nutseles which are strongest to bear the strain, and increases the length of his stride four to six mehes. The heel touches the ground first, and not the toe. A slight spring is given from the ball of the foot on making another stride.

"Men who walk in this fashion cover the ground 30 per cent. faster with the make.

Dr. Williams' Pink Pilis cure by going to the root of the disease. They renow and hulld up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that every box you purpose the nerves. that every box you purchase is enclose in a wrapping bearing the full trade mark, Dr. Williams' Pink Pills for Pale the ground 30 per cent. faster with the same exertion than those who walk from

People.

Great Britain has agreed to the ratification of the Paris convention of 1885. Grimaldi's Crave.

Pentonville," says London, "there lies an old and neglected graveyard, which contains the separate of Grinsuld, the fatains the remains of Grimatdi, the tains the remains of Grimaids, the farming clown; also the family grave of the Dibdins, though the great song writer himself, does not, rest there, and the graves of many other persons more of less known in London annals. The Metropolitan Gardens association has now begun to lay it out as a public garden, and the Clarkenwell vestry will keep it in order as an open space for the children, the follers and the aged of the locality. Grimaidis grave will be preserved and protected and the healistones restored. The family tomb of the Dibdins will also be railed in and likewise the tomb of Hardy, the famous ascronomical clock-maker."

The King in Church.

When George III camp to the throne, one of his first acts was to issue an older prohibiting any of the diergy who should preach before him from paying him compliments in their semions. This was especially aimed at a probendary of Westminster who had in his discourse before him indulged in Tulsome adulation. Instead of thanks, the King gave him the information that he came to church to hear the praises of God and not his own. ()

hear the prpises of God, and not his own. They Stick to Candles. At the Prince of Walls, own particular club in London neither gas, electric light nor oil is commonly used, but in roust of the rooms shaded capales.
