TARTE SUFFERING FROM A CASE OF "BIG HEAD." The Globe's Change of Front—The Manufacturers and the Tariff—Civil Service in the House—Season Will Close Within a Month—Mr. Whitney to Visit Western Ontario.

[From Our Own Correspondent.] Ottawa, May 11.—The word "politics" conjures in itself a study of no inconsiderable magnitude. Thus Mr. Pickens, the late Governor of South Carolina, who has never read a newspaper, has been able to follow the course of the tariff in the House of Representatives. Doubtless several Tarites, who have never read a newspaper, will follow the course of the tariff in the House of Representatives.
