**GENERAL NOTES.**  
Sixteen suicides and sudden deaths took place in New York city on Friday last.  
The design for a new postage stamp has been approved by the Postmaster General.  
Rev. Dr. Talbot is reported as having received a call to Chicago and is seriously considering the same.  
It is now authoritatively stated that Sir Oliver Brien will retire from active political life to become the next Lieutenant Governor of Ontario.  
The Pope is reported as failing in strength and the church dignitaries are afraid he will not rally from the extreme fieldness and lunatic behavior.  
One, Mrs. Dow, the great temperance cause and the mother of the Maine Law, died on Saturday afternoon at Portland, Me. She was seventy-three years of age.  
A talented young fishman, a classmate of Rev. Prof. Robinson of Knox College, has been elected to succeed the late Rev. Dr. McConaughy as the pastor of Chalmers church.  
The Cuban revolution is spreading in island of Cuba and the situation is becoming very serious. The war department at Madrid is sending six thousand troops to Cuba.  
Three Chinese consuls who have been expelled from healthiness through the influence of the Metropolitan Sunday School, Havana, received the rite of baptism at that church on Sat. last.  
Greece is having continued internal political disturbances which resulted in the resignation of the King Ministry on Friday last. King George at once invited M. Zaimis to form a Cabinet which he has consented to do.  
The talented sons of Erin are becoming famous with the Presbyterian congregations in Toronto. Rev. Wm. Patterson of the Lakes church preaches to a packed congregation in the city. The Rev. Mr. McConaughy, successor to the late Rev. D. J. McDermid in St. Andrew is an eloquent speaker and favorite. And now the Rev. S. M. McConaughy of Pittston, Pa., Lord Wolsey, Lord Ferintosh and Lord Roberts, sons of Erin, says a London paper, were the three most popular subjects of the Majesty at the Jubilee celebration in that city. We were given to understand that Sir Wm. Larnach was the favorite of the Queen, but we believe that the Queen was in the boat when the Hibberden's were present.  
Adelbert Wyatt of Victoria attempted taking his life by plunging his throat with a pocket knife in his bedroom at the City hotel Kingston on Friday night last. When discovered he was at once removed to the hospital but very weak, in gold was found in his pockets and in his satchel was found bills and gold to the amount of \$9,000. Wyatt is well known as one of the wealthy men of Prince Edward Island, being the owner of several farms near Pictou. He has been in failing health and has recently had a stroke of apoplexy which it is thought has mentally affected him and led him to this fatal act.  
**Meaford Road.**  
The Forests treated Hibberden's families to a few supper a short time ago. They say that they had a good time.  
There was a regular christening here at Mr. G. W. Hill's last week. No more than nine juveniles received the rite of christian baptism. The Rev. Mr. Mahan of Heshberton performing the ceremony.  
Mrs. Carson of Prieville paid her daughter Mrs. Gilbert a visit last week. Mrs. Samuel Buchanan of Caledonia is visiting friends here at present.  
Born to Mr. and Mrs. W. A. Alex on Sept. 20, a son.  
Mr. G. Shannon has a gang of carpenters at work on his new brick home. Mrs. Fritchard spent Saturday and Sunday visiting Meaford friends. She was accompanied by Miss Gilray.  
The farmers are busy now threshing, the grain is yielding well.

**Berkeley.**  
Things in our village seem to be moving on in the "Evening of their way" with no disturbing element.  
We hear some talk of the Harvest Home supper to be given under the auspices of the Presbyterian church.  
Midnight marauders in the shape of want and hungry children have been haunting in several streets of sleep.  
Mrs. Walker is visiting her sister, Mrs. Lind.  
Mr. J. S. Souter left on Tuesday for Manitowish Island. He takes with him a number of his Dorset bred sheep.  
Mr. Wm. Sarjeant has returned from his lakeside residence and is returning to his farm next April. He is better versed in the modes of raising grain than raising fish.  
**Walters Falls.**  
The great Central has come and gone for this year and success as will be seen in the report. All prizes awarded will be paid back by calling on the office-transmitter, R. J. Watson.  
Mrs. Hoopie of this village is spending a few days visiting in our village. There is quite a large element over the walking match held here Mr. A. Findlay and Mr. Thos. Douglas. We understand there is a change of \$10 by Mr. Findlay's side.  
Hope they will call on Walters Falls to have the race and we can guarantee fair play to both parties.  
The Methodist choir sang out to Massie on Monday night and we judge from appearance they were just a too time.  
Mr. and Mrs. W. A. Walker of Meaford spent Sunday here. Mr. and Mrs. R. J. Watson visited friends in Prieville on Monday and Wednesday.  
**Osprey.**  
Beautiful weather and a dustier than we had them all summer.  
The trees have become beautiful autumn colors.  
Mr. J. H. Gibson is in order. Although they are not as good as in Ireland the yield will be satisfactory in some cases may rot.  
Threshing machine men are now rushing with orders. Everybody and all his relatives want to thresh this Friday.
