Mercer desires to thank many customers for their very generous support during the past year and trusts that they will extend to him the same kind pat-ronage in the year 1898. Mercer's business increased 20 per cent during the year 1897 over the previous one which whows that his goods, prices and style of do-ing business must be right. On the 17th of this month Mercer commences stock taking previous to which he wilf clear out all winter goods at from 10 to 25 per cent discount off his already low prices for cash.

## WINTER GOODS MUST GO

Such as men's and boys' over-coats, men's and boys' suits, top shirts, under shirts and drawers, shawls, caps, ladies mantles and Remember Mercer sells as he buys, cheap for cash, and his motto is honest goods at honest.

The annual meeting of the Centre Grey Farmers' Institute held in the Town Hall, here Wednesday of last week was pronounced a success both in attendance and interest. The delegation consisting of Mr Wm Rennie of the O A college and Mr J I Dobson of Guelpho a farmer with wide experience, assisted by local talent discussed the with interest and profit. At the after noon session there was a fair attendance of appreciative yeoman presided over by the president, Mr John Irwin of Redwing. Mr. H Douglas opened with an interesing paper on "manure and fertilizers." Dr Christoe then ead a circular on "commercial fertilizers" and asked for an expression of pinion on the same. Mr Dobson said the fertilizer referred to was an unrofitable investment for a farmer

which opinion Mr Rennie concurred n. Mr F Cann then gave his experience in farming throwing out some useful suggestions. Mr Reunic fol. lowed, speaking on "restoring and maintaining soil fertility." On the experimental farm they had adopted rotation and found it a success. They turn the sod only once in four years, plowing only four inches deep. John M Davis gave a short address on pre-paring fow for market. Mr Hobson then spoke on "success or failure on the farm" early training and a taste for the calling had much to do with suc-

cess; failure is frequently the fruit of carelessness and lack of attention to arrived last week to spend a few weeks details. In the course of his address Mr Hobson cited cases when cows had heavy holiday trade. Miss Assolstine netted from \$60 to \$100 each. The of Great Falls accompanied him and is owners know a good cow when they the guest of Miss Sarah Strain for a saw one and then cared for her so as to short time before leaving to enter upon get the best out of her. In the even- a three years' course in Alma Ladies ing the hall was well filled and Dr Christoe the newly elected reeve of Artemesia presided. Mr Hobson spoke on "lessons learned during a summer's travels in this and other who reside near Crystal City, Man, are lands," dwelling specially on the fortility and beautiful scenery in own western provinces. He described his visit

to the Government farm at Indian Head and Brandon and spoke of the good work being done by these instithere are even in our favored country who have not been billiged to experiment, ome in the wintering of stock and brother John of this place.
