it may be demodished forever. Men speak of religion as though it were a spiritual imbecility, as though it were a spiritual chloroform that the people were to take until the sharp cutting of life were over. The Bible, so far from this, represents the religion of Christ as robust and brawny—ransacking and upsetting 10,000 things that now seem to be settled on firm foundations. I hear some man in the house say, "I thought religion was peace." This is the final result. A man's arm is out of place. Two men come, and with great effort put it back to the sacket. It goes back with great pain. Then it gets well. Our world is heartbly disordered and out of joint. It must come Then it gets well. Our world is horribly disordered and out of joint. It must come what does this meant it is is which there will be pain and anguish before there can come purfect health and quiet. I proclaim, therefore, in the mane of my Lord Josus Christ—revolution!

| The content of the of my Lord Josus Christ—revolution!

The Religion of the Bible will make a revolution in the family. Those things that are wrong in the family circle will be overthrown by it, while justice and harmony will take the place. The hashard will be the head of the househeld only when he is fit to be. I know a man who spends all the money ho makes in drink, as well as all the money ho makes in drink, as well as all the money that his wife makes, and sometimes sells the childer's clothes for rum. Do you tell me that he is to be that house hold. If the wife have more nobility, more courage, more consistency, more of all that is right, she shall have the supremery. You say that the Bible says that the wife is to be the subject of the husband. I know it, but that is a husband, not a masculine carreature. They is no human or divine law that makes a woman subordinatote a man unworthy of her. When Christianity comes into domestic circle, it will give the dominancy to that come who is the most worthy of it.

Ah, my friends, there is but one standard of the overlasting, right and of the overlasting wrong, and that is the Bible, and when that principle shall get its pry under our commercial houses I believe that one half of them will go over! The ruin will begin at one end of the street, and it will be crashl crashl crashl all the way down to the docks. "What is the matter! Has there been a fall in gold!" "Oh, no." "Has there been a new tarfiff?" "No." "Has there been a new tarfiff?" "No." "Has there been a numaccountable panie?" "No." This is the secret: The Lord God has set up his throne of judgment in thejexchange. Ho has summoned the righteous and the wicked to come before him. What was 1857? Aday of judgment! What was 1857? Aday of judgment! What was the oxtrome depression of two years age?
