Her kind and amiable disposition had gained her many warm friends, and was highly esteemed as was shown by her funeral cortege there being over 100 veicles in the procession. Her remains were taken to St John's R C church of which she was a consistant member where the Rev Father Hauck celebrated Mass, thence to St Peters cemetery in all widths, also the window where all that was mortal was laid to await the resurrection morn. We exend to Mr Neil and friends our heartfelt sympathy in their very sad be-reaveneut.

For pesple who have learned that the "road to wealth" is in RIGH BUYING. There is more business done in Markdale than any lown twice its population in Ontario. You can but cheaper, sel better, see as large a range of goods to pick from, as you can in any city!

> Benson's, Benson's

We are known all over Grey county for being the cheapest merchants doing pusiness in Markdale. You ask "why is it that we can sell cheaper than our competitors?". Because WE ARE AT LESS EXPENSE That is the secret in a nutshelk We know people who have paid \$7.00 for a suit at any point. Also lawn fen of clothes not as good as we sell for \$6.00, and they are people who needed every cent they had, too. If they followed the same course in their other buying its no wonder they failed to make any headway in saving up for a rainy day.
