which he quoted his authorities, and goes to his desk to finish his neglected correspondence, or to pen an indignant line to some reporter, or sketch the plant for a public defense against the assaults of the people. Happy when he got his first lawyer's brief. Exultant when he triumphed over his first political rival. Yet, sitting on the very top of all this world's offers of prakeo, he exclaims: "No rest! No rest!" Then, putting his wasted hand over his world soffers of prakeo, he exclaims: "No rest! No rest!" Then, putting his wasted hand over his soon hiss. That world said of the great wonderful exposition of the constitution A man fit for any position!" That sand world said after awhile: "Down with him! Ho is an office scoker. He is a set. He is a libertine. Away with him!" And there is no peace for the man until he lays down his broken heart in the grave any heartbreaks and no graves are obtained as a point of him; got to be judge and cursed whether a consume the treatment of the could only be judge that would be the man, "I myself am Charles Matthews!" "Alas, aids," said the world she have any in which he was born. Alaxander wanted to submerge the world with his greatness; submerged it and then drupk himself to death because he could will rive over the world with his greatness; submerged it and then drupk himself to death because he could not favor of courts and the could will the favor of courts and the could will not favor of cou Charles Matthews." "Alas, aids," said the man, "I myself am Charles Matthews!" Jeffreys thought that if he could only be judge that would be the making of him; got to be judge and cursed the day in which he was born. Alexander wanted to submerge the world with his greatness; submerged it and then drapk himself to death because he could not stand the trouble. Burns thought he would give everything if he could win the favor of courts and princes; wen it and amid the shouts of a great entertainment, when poets and orators and duchosses were adoring his genius, wished that he could creep back gonius, wished that no could creep back into the obscurity in which he dwelt on the day when he wrote of the Daisy, wee, modest, crimson tipped flower. Daisy, wee, modest, crimson tipped flower.
Napoleon wanted to make all Europe
tromble at his power; made it tremble,
then died, his entire military achievements dwindling down to a pair of
military boots which he insisted on
having on his feet when dying. At
Versuilles-I saw a picture of Napoleon in Versailles I saw a picture of Napoleon in his triumphs. I wont into another room and saw a bust of Napoleon as he appeared at St. Helena, but, oh, what grief and angulsh in the face of the latter! The flist was Napoleon with his heart broken. How they laughed and cried when silver tongued Sheridan, in the midday of prosperity, harangued the people of Britain, and how they howied and execrated him when outside of the room where his corpse lay, his creditors tried to get his miscrable bones and sell them!

As far as 1 can see, your great wa and mine is rest. Fight the time venter life a great many exactors an annoyances take after us. We take, o holidays mid our season of receation and quiet, but where is the man in the world who has found entire rear. It fact is that tool did not notice this world repeated in the world who has found entire rear. It fact is that tool did not notice this world repeated in this world to find since the war for rest in. A ship might is well go down of Cape Hatteras to find since the war as a man in this world to find quie. From the way that God has steement thorns, and hung far clouds, and shar ched the tusks; from the calds that dittess us, and the heats that minte u and the pleurisies that the us and the fevers that consume us, I know that I did not make this world as a place there in. God does everything successfully, and this world would be a ver different world if it were intended for u to lounge in. It does right well for a feyears. Indeed it is magnificant. Nothin tribumph; the last was Napoleon with performance of the control of diolings in. It does right well for a fe years, Indeed it is magnificant. Nothin but infinite wisdom, and 'goodies' coul have mixed this beverage of white, of hung up-these breekets; of sars, of trained these voices of 'fill and bird an ocean, so that God had but to lift hand and the whole world breeks for into occasing the control of the country of the control of the country of into orchestra. But after all, it is on the splendors of a king's highway, on which we are to march on the etern Nou and I have seen men who tried rest here. They builded themselves gre stores. They, gathered around them t

correctimes, whatever your weakhoses. It have a commission from the Lord Abanatty to make up this regiment of rede med souts, and I cry, "Ariso yo and the depart, for this is not your rest." Many of you have lately joined this company, and my desire is that you all may join, it. Why not? You know in your own hearts "experience that what'd have said about this world is true; that It is no place to rest in. There are hyddreds here weavy—th, how weary, weary with sin, weary with stomath, weary with been porced through and through. You carry the sear of a seep of conflicts, in which you have bled at every ports, and you sigh. "Oh, that I had it have wind the dealers of a seep of conflicts, in which you have bled at every ports, and you sigh." You have taken the cup of this world's pleasures and drunk it to the dregs and till the filters claws at your tongou and the feeber strikes to your blank. You have them the cup of this world's needed, the others were an indice every shallow, but, just at the minure when you were all ready to put your hand upon the rosy, laughing stiph of the wond's ream, and indeer every shallow, but, just at the minure when you were all ready to put your hand upon the rosy, laughing stiph of the wond she turned upon you, with the glare of a large and the free of a land and thereby of a saty, her locks adders and her breath the child cannot all days. The following stiph of the wond she turned upon you, with the glare of a grave. Our of 158 stip heavy is a dozen lish with the glare of a grave, our of 18 stip heavy is startly at the following stiph of the world's and the stip heavy is a dozen lish with the glare of a grave. Our of 18 stip heavy is a dozen lish with the glare of a grave, our of 18 stip heavy is a dozen lish with the glare of a large her particles. The like her he has a wire to the other, it will be a stip heavy in the heavy in the particles. Next day that the child damp of a grave, our of 18 stip heavy in the particles and heavy in the particles and heavy in the particles and hea have a commission from the Lord | Whon on hog he we floring !

storm. No light, to kindle the darknoss, No drydock to repair the split bulwark. Thank God, I can tell you something latter. It there is no rest on earth, there is rest in heaven. Oh, yo who are worn out with work, your hands calloused,
