## Farewell to Summer

Looking back over the season just ending we have  
ample reason to be grateful. Not only has our busi-  
ness been greatly enlarged and friends and customers  
become more numerous but this has been the case at  
a time when our store alterations made shopping  
somewhat inconvenient. Just now when almost all  
the improvements in our store are complete, we feel  
confident of doing a larger business than ever. With  
mind in view we have made unusually large pur-  
chases for our fall trade - buying where we could get  
what will prove satisfactory to an intelligent public  
from British, European and Canadian manufacturers.
