THE GIANTS ARE NOW IMPOTENT

The gier's Catarrhal Powder will

not relieve instantly and cure permanently. It has made marvelous cures, and enjoys the esteem and high endorsation of the medical profession.

Through encoure I contracted that deed disease—Catarrh. My case became chronted in a man of great stature, whose fing
minutes after first application had read to cach hand and six on each foot; and

a short spill was completely and cure per man on the medical profession.

Through encoure I contracted that deed disease—Catarrh. My case became chronte—in to make the stature, whose fing
minutes after first application had read to the medical profession on each hand and six on each foot; and

a short spill was completely had read to the medical profession on each hand and six on each foot; and

The gift was completely had read the contracted that dred disease—Catarrh. My case became chronte—in to on each hand and six on each foot; and

The gift was completely and the read of the medical profession.

Through encourage when hand and six on each foot; and on the past of the past or, his own household, is worse than an antified. The past or the large and fabulous sums for which many struggle, if obtained, would be a hindrance rather, then an estimate the past of the past of the past or, his own and the curity of the past of the p for which many struggle, if obtained, would be a bindrance rather than an ad-

vantage.

The anxieties and annoyances of those he doffed Israel, Jonathan, the sho of Shimea, David's brother, slow him. Malformation photographed, and for what reason? Did not this passage slip by mistake into the sacred Scriptury, as sometimes a par araph utterly obnoxious to the editor rots into his newscaper during his absonce? Is not this Scriptural errata? No, no; there is nothing hap hazard shout the Bible. This passage of tonants to please. Suppose you have branched out in business successes until in almost every direction you have invest ments. The fire bell rings at night; you rush unstates at leak out of the window.

their worriments are real, and their insominance. But this glant of the text is in battle, and as David, the stripling warrior, had disinteled one glant, the inciplance of David slays this monster of my text, and there he lies after the battle in 6 at the bothersome sarabus by giving is away. If a man has more house than he cannot save him, and his superfluous appendices of hand and foot did not save him. The probability was that in the battle his sixth linger on his hand made alm clarges in the use of his weapon, and his sixth toe crippled his gait. Behold the prostrate and malformed giant of the text: "A min of great stature, whose The probability was that in the nature his sixth finger on his hand made aim claims in the use of his weapon, and his sixth toe crippled his gait. Behold the prostrate and malformed giant of the text: "A. man of great stature, whose fingers and toxs were four and tweety, six on each hand and six on each foot and he also was the son of a giant. But when he defled Israel, Jonathan, the son of Shimea, David's brother, slew him."

Behold how superfailities are a hindrate rather than a help! In all the pattles at Gath that day there was not a man yith ordinary stature that was hot batter off that this physical curiosity of my text. A dwarf on the right side is stronger than a giant on the wrong side, and all the body and mind and estate and official tunity that you cannot use for fed. the voice of the of tiest espire. The custom a hole, debu can hear right a the feet of the body and midd and estate and feet of the country of the most of the world are a mount we are making. Working diner one of our parents, we have a monoically which seems to me something words. The most of those who they world and the most of those who they world and the most of those who win the battles for the right are ordinary people. Count the fineers of thoir right hand, and they have just five—no niere and to less. One Dr. Dull among plassification is a mid-too less. One Dr. Dull among plassification is a mid-too less. One Dr. Dull among plassification is a mid-too less. One Dr. Dull among missilation, which mothers a hundred lastication onlowment.
