MARKDALE, NOVEMBER 10, 1898. Plebiscite Vote is Complete. Ottawa, Nov. 1.—The official returns of the plebiscite vote are as follows:

For Prohibition... 128,023. Against Prohibition... 116,071. Majority for Prohibition... 11,952.

The Appetite of a Goat. Is envied by all poor dyspeptics whose stomachs and liver are out of order. All such should know that the wonderful stomach and liver remedy, gives a splendid appetite, sound digestion and a regular healthy habit that ensures perfect health and great energy.

Thoughts From Lowell. Only manhood ever makes a man. God made the earth for man, not for trade.

Stray Animals. Every fall farmers are more or less bothered with stray animals, and it is important to know just what the law is in regard to stray animals.

Stray Animals. Every fall farmers are more or less bothered with stray animals, and it is important to know just what the law is in regard to stray animals.

Curious Arab Proverbs. Fear teaches how to run. A handful of bees is worth more than a sack of flies.

Curious Arab Proverbs. Fear teaches how to run. A handful of bees is worth more than a sack of flies.

Curious Arab Proverbs. Fear teaches how to run. A handful of bees is worth more than a sack of flies.

Stop Coughing. Every cough makes you irritable. Every cough congests the lining membrane of your lungs.

Ayer's Cherry Pectoral. From the first dose the quick rest begins. The tickling in the throat ceases; the spasm weakens; the cough disappears.

Genetic Appreciation. Calvin, writing to Bullinger, after having violently denounced Luther's view of the Lord's Supper, said: "I repeat once again, that I do not call him a devil, I do not call him a most illustrious servant of God."

Discovered by a Woman. Another great discovery has been made, and that too, by a woman. "Disease fasten its clutch upon her and for several years she withstood its severest attacks."

Discovered by a Woman. Another great discovery has been made, and that too, by a woman. "Disease fasten its clutch upon her and for several years she withstood its severest attacks."

THE GIRL AND HER BROTHER. She Can Easily Gain a Most Wonderful Influence Over Him.

It is said that of the man being now living in the earth 90 per cent of them were brought to the world by the influence of a woman.

It is claimed that the tree which has the longest life in the world is the Ginkgo tree.
