GROWING AHEAD

Markdale's Busiest & Biggest Store

Trade Leadership is all around this store. The best of everything that money can command. Quick sales multiply profit and make a small profit all that is necessary. We're all the time trying to make this store better and we are determined to keep our leads in every department, and to do this we are going to give more goods and better value for the money than any other store in the trade. We've no need to beg for trade, it keeps coming to us and increases as it comes—because we handle only reliable goods that are right in style and right in price, and in this store if you are once a customer you are always a customer. Shoppers look to us for special bargains because of our ability to KEEP PRICES DOWN

Dress Goods

Millinery AND Mantles

In these departments it is a recognized fact we always lead and there is nothing strange about it. When you see the styles and qualities and learn the prices it is next to impossible to resist buying.

FOR MEN

We wish to say we have the largest and best assorted stock of ready-to-wear garments ever housed under one roof in Markdale and the amount of business done daily in these goods is evidence that we are doing it right.

Boots, Shoes & Rubbers

The reputation we have gained for our shoes is too valuable for us to run the risk of loosing it, by offering you auction goods or any thing that is not absolutely reliable. A good many think they know all about Rubbers, but there is a degree of quality you will never learn of until you have seen our stock of these goods. Space will not allow us to tell you all about it here but when in need of these goods come in and see for yourself.

SPECIAL FOR THIS WEEK

20 dozen Men's Under-Wear 16 oz, regular $ goods for 75c a Suit.

Prominent men all over the continent wear them and it only necessary to try one to be convinced of the advisibility of possessing one. It prevents the dangers incidental to cold, catarrh, neuralgia and kindred troubles. Story of a Slave

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D Williams of Manchester, Mich tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work. This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle-working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cts. Sold by all druggists.

The Turkey's Lament

I'm a melancholy turkey—sad am I,
For a reign of awful terror draweth nigh.
How I dread the smell of pie,
And the cakes and tarts piled high,
For I know that I must die
Thanksgiving Day.

What avail my sparkling eyes, just like jet,
Or my shining and stately neck, proudly set?
Though my glossy feathers shine,
On my flesh will people dine,
And pronounce me—luscious—fine,
Thanksgiving Day,

How I wish I had been hatched some other bird,
Chicken, goose, duck or dove'd be preferred—
Any fowl, but what I am,
In this land of "Uncle Sam,"
For I'm slaughtered like a lamb
Thanksgiving Day.

How I sympathize with Marie Antionette
How that dark and bloody axe haunts me yet.
Soon on my neck 'twill descend,
Make of me a sudden end
Was a sadder verse e'er penned,
Thanksgiving Day?

Handsome, Beautiful and Becoming

Are the styles of Hair Goods as produced by Prof Dorenwend this season. The full styles of Bangs, Wigs, Fronts, Switches &c are marvels of beauty and every lady should see them. In a few minutes the Prof can demonstrate what constitutes the essential points in a handsome woman. As he has increased territory to cover he cannot visit here as often as heretofore, so call on him now at the Markdale House on Friday Dec 2.

A Needed Reform

How few know or stop to consider the long hours of our clerks and milliners in our stores have to spend at night after all other classes of the community have given up their day's work. The hands in our stores are at work putting up goods and straightening up shop for the next day; then, on Saturday many of our country people, and village folk too, leave their shopping until evening. After them comes the employees in the town who got their pay at 6 p m and keep the clerks showing goods until 10 o'clock. After the stores have to be straightened up and goods put away and covered. The clerks get home at about 12 o'clock and frequently after. Then they are too tired and sleepy to go to church on Sabbath morning. If our people would do their shopping early in the week and early in the day when all stores are less crowded they would be able to select their goods better and do a great favor to the salesman and women and thus they could have all their work done by 9:30 or 10 o'clock on Saturday night and just as much business done. A suggestion is all the christian public and others will require to do their part in this good work.

Yours truly,
Thos Boland.

We have put anything in our whole stock which we will sell you below cost. We don't believe in suicide; suicide is against the law in Canada anyhow. We will make a profit on every yard of goods we sell you. That's what we're in business for. We don't sell goods for less than we pay for them; our plan is to buy goods for less than others pay for them, and sell them for less than you will have to pay for them elsewhere. We deal with credit men quite often, but we pay cash. We're independent and happy you can bet, too; think about chunks of thought about head words of wisdom.
