LEGS ENTIRELY RAW

From his feet to his body, and ran a blood tinged, irritating water.

Mrs. A. McFarlane, Solder St., N.B., tells how her little boy suffered, and how B.B. cured him permanently.

There is not a mother in this land who has a child suffering from skin disease...

With gratitude I can testify to the wonderful curative powers of Burdock Blood Bitters...

King Charles of Romania's floundering in the Balkans...

Every tailor knows a lot of promising young men...

When a woman accuses a man of flattery, she wants him to say it more often...

The man who is usually wrong never thinks of looking at it when he happens to be right.

The north pole is like a woman's pocket - you don't know where it should be, but no one can find it.

As a sole the man who seeks your friendship has a motive in view. The woman who does so usually has two or three of them.

One of the most important persons on board a ship is the barber. If he is not a good barber, the ship is in a position to make a good deal of money.

It is always one of the most heavily "tipped" officials on the ship. If the ship is on a long voyage, the barber is the most important person on board with the exception of the captain.

The inexperienced traveler is naturally a little suspicious of the native population who surround him. He is always ready to believe that the natives are plotting against him.

For the purpose of the present, the most successful method of curing a cold is to keep the head warm and the feet cold.

The St. Peterburg Academy of Science has been interested recently by a note from Professor Karapinsky describing some peculiar hall which fell in Russian territory...

It is estimated that there are 100,000,000 old style copper pennies somewhere. Nobody knows what has become of them, except that once in a while a single specimen turns up...
