Itching, Burning Tortures of . . . Eczema on the Scalp

Some of the cures effected by Dr. Chase's Ointment are faore like miracles than anything else. The case recorded here was one of the worst ever brought to the attention of Toronto's best physicians, and when doctors gave up all hope of recovery Dr. Chase's Ointment was successful in producing a perfect cure.

Mr. James Scott, 136 Wright Ave., Toronto, states: "My boy Tom, aged tem, was for nearly three years affilieted with a bad form of Ezermajof the scalp, which was very unsightly, and resisted all kinds of remedies and doctor's treatment. His head was in a terrible state. We hadlite keep him from school, and at times his head would bleed, and the child would scream with agony. For two and a half years we battled with it in vain, but at last found a cure in IDr. Chase's Ointment. About five boxes were used. The original sorts dried up, leaving the skin ln its normal condition. To say it is a pleasure to testify to' the wonderful ments of Dr. Chase's Ointment is putting it very middly."
