off in the near future.

That Remarkable Picnic Wodehouse, July 4, 1899

Editor Standard-Kindly allow a short space in your valuable paper in order to correct the erronious reportby your Wodehouse cor last week regarding the S S anniversary picnic held the 20th June, as general indignation prevails in the neighborhood owing to same. In the first place the day was not "all that could be desired" as reported, it being quite cool and so windy that a program could not well be heard in the grove, consequently the minister and officials considered it unwise to attempt any program, proposing to have it on the following Sunday instead of the regular service. In was no fight, as reported. The juniors played a quiet game. The seniors had a dispute but there was no fight whatever. The tea supplied by your cor-

Messrs Alf Scanlan and J T O'Brien spent the 1st at "Balmy Beech," Owen Spent the 1st at "Balmy Beech," Owen Sound and report an excellent time:

Of—Agaia Well and Strong.

From the Belleville Sun recently had an opportunity to investing at a curre made through the use of Dr Williams Rink Pills for Pale People which is little short of miraculous. The sull ject of the curre is Mr H Conklin, a well known farmer who lives in Ameliasburg township, Prince Ldward county. When the reporter drove dever to see Mr Conklin he was under the impression. from what he had heard of the case, that he would find a partial invalid, but to his sure prise found a stalwart, robust man of six feet, actively jengaged unloading logs from a shaigh. On making known spent the 1st at "Balmy Beech," Owen spent the 1st at "Balmy Beech," Owen spent the 1st at "Balmy Beech," Owen spent the isst at "Balmy Beech," Owen spent the isst at "Balmy Beech," Owen invited into the house and Mr Conklin gave his story as follows:—

Off—Agaia Well and Strong.

From the Belleville Sun recently the investing to investing at a curre made through the use of the curre is Mr He curre is the curre is Mr He curre is the curre was invited into the house and Mr Conklin he was under the impression. from what he had heard of the case, that he would ind a partial invalid, but to his surrecently the was under the impression. from what he had heard of the case, that he would ind a partial invalid, but to his surrecent was under the impression. from what he had heard of the case, that he would indeed the curre is the curre

give his story as follows:

"You can see for yourself, that my condition is now one of good health, and yet I have been near death's loor. year ago last summer f injured my and, with the result that blood poison hand, with the result that blood poissoning set in. A doctor was called in and
the usual treatment given and the hand
apparently \*got well and I started to
work. It soon turned out, however,
that the poison had not been entirely
got rid of and it spread through my
whole system. The doctor was again
called in. but looking upon my case as
critical, advised me to go to the hospital at Belleville. This I did and remained there throughout the month of October, 1897. My condition was desperate, and as I was not making any progress toward recovery, I may frankly
say that I gave my case up as hopeless.
Believing that I could not recover, I
asked to be taken home: I then fried
various treatments with no better resalts. I could not walk without help,
and I was doubled up like a jack-knife.
At this stage: I was advised to try Dr
Williams' Pink Pills, and sent foi half
a dozen boxes. After using the
half dozen my appetite returned
and
night sweats which had been the cona dozen boxes. After using the half dozen my appetite returned and night sweats which had been the bane of my sleeping hours deserted the Knowing that the pills were helping me I sent for a further supply. Meantime a swelling came in my hip, which finally broke, and from that on my progress was more rapid and again as sound as ever, and able to do a day's work with any one. I can obly add that D. Williams' Pink Fills desired by Revs Ward and Darroch of given by Revs Ward and Darroch of health and so long as I live I shall praise the remedy that brought me back from the verge of the grave." praise the remedy that brought me back from the verge of the grave."

Dr Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that every bex you purchase a enclosed in a wrapper learning the full tride mark. Dr Williams' Pink Pills for Pale Teople. If your dealer does not keep them they will be sent postpaid at 50 cents a box, or six boxes for \$250\$ by addressing the Dr. Williams' Medicine Co, Brockville, Ont.
