Best riding in any class, G. Carrie. Best plowing and outting, J. F. Anderson.

The lateness of harvest and great quantity of straw made threshing tedious and consequently interfered with the progress of fall work on the farm.

Mr. A. J. McKittrick, editor of the Craigville Banner, was married to Miss Minnie Sydie of that town last week. Mr. L. G. Campbell of Markdale was best man.

Honi merchants would burn their shop sweepings in the furnace it would oblige the daily nuisance of smoke, flying embers and unpleasant odors on the street. Try it, gentlemen.

Don't put a Bird in the Window

"Never put a bird in the window," said a bird fancier to the reporter. "I rarely go into the street in summer, or even on a mild day in winter, that I do not see unfortunate canaries hung in the windows. Even if the sun is not broiling the brains under the little cap, a draft is blowing all the time over the delicate body. People have been told a thousand times that they must not put a bird in the draft, yet how few remember that there is always a draft in an open window—Berlin (Md.) Herald.

Four Generations Represented

A quiet matrimonial event was solemnized on Wednesday of last week at the home of Mr. J. J. Cherry, 7th line Euphrasia, when his daughter Miss Josephine and Mr. Joseph W. Ward of the same place were made man and wife. The near neighbors and relatives only were present. Miss Cameron, niece of the bride, and Mr. Joseph Cherry supported the contracting parties while the Rev. T. G. McAtee, Dr. Sprout, and Mr. L. L. Smith, officiated.

Halloween Supper

Another of those social functions which are looked forward to from year to year, by the greater part of the population was enacted by the Euphrasia League young people of the Methodist church here on Tuesday evening with undiluted success. The decorations of evergreens, bunting and flags exhibited the work of artistic hands. Our prises could not be much too loud if we spoke in the highest possible terms of the supper's excellence, as nothing from the best of salads to the finest cakes was omitted. The program if anything exceeded previous renderings and consisted in choruses, orchestra music, readings, recitals, solos, duets and address, upon which we would like to numerate if space and time permitted, but it won't, as such were worthy. The social or chit-chat part (the main object of such gatherings) was harmonious and continuous. Proceeds about \$24.

The new Orange Hall at Kells' corner will be formally opened on the evening of Thursday, Nov. 9. Tea will be served from 6 o'clock after which addresses will be delivered by Dr. Sprout, Mr. P. Mr. I. B. Lucas, M. L. A., and others also music by Vandeleur string band. Admission 25c.

The Harriston board of works is advertising for tenders for the construction of a snow plow to keep the sidewalk clean during winter months. Would it not be proper and popular too, for Markdale to move in that direction?

Everybody is pleased with the concrete sidewalks, of which Markdale has now a liberal share. They are solid and safe for pedestrians, smooth and secure for baby carriages, just "boss" for the push cart, and if you drop a coin thereon there's no danger of it rolling into a crack as of

Dundalk corporation has invested in an electric plant and on Saturday evening last "Councillor" Park, in the absence of Lord Minto, touched the "button" and the electric current caused a brilliancy on streets, in shops and dwellings which thrilled the hearts of the enterprising citizens of that thriving town.

Mr. Alex. Saigeon, a well-known farmer and tinsmith of Osprey, died on Sunday week from a rather uncommon cause. Mr. Saigeon had an affection of the throat and this was aggravated by his calling of threshing. The physician pronounced it acute inflammation and blood poisoning by smut. Flesh-ortion Advance.

Dr. Stewart, reeve of Chesley, recently had a piece of cement-concrete sidewalk constructed at his own expense in order to introduce it to the consideration of Chesley citizens. Another season will doubtless bring about in that town what this did in Markdale viz: more than half the sidewalks in the place of the modern permanent character.

One of the biggest newspaper combination offers ever made in Canada is the offer of the Weekly Sun, Toronto, combined with the Family Herald of Montreal, (including the premium pictures) for \$1.25. A still bigger offer is that of the Sun, combined with the paper for \$1.35. Address orders for the Sun combined with the Family Herald to the Sun Printing Company Limited, Toronto.

Forty-five citizens of Napanee have been summoned to appear before Police Magistrate Daly on a charge of attempting to procure liquor during prohibited hours. All the local hotelkeepers have been subpoenaed as witnesses against the accused. This is a new departure, as heretofore prosecutions have been confined to hotelkeepers charged with selling liquor in contravention to the Liquors Act.

Canadian Year Book

A copy of the 14th issue of the Year Book of Canada issued by the Department of Agriculture is to hand. It contains over 600 pages of statistics carefully compiled and neatly gotten up in book form and is replete with valuable and interesting facts. Mr. George Johnson, Statistician, will please accept thanks for the volume.

Grafting Pays

Mr. J. I. Graham of Artemesia, top grafted the trees of a corner of his orchard which were scalded seven years ago with Baldwins and King's and this year he picked from the trees on 17x25 feet of ground 30 barrels choice shipping fruit. This shows what can be done with an orchard which was of little account prior to the grafting process and proves that grafting pays.

Personal Mention

Mr. — Atkinson of Indianapolis is visiting in town.

Mrs. W. A. Burrows is visiting relatives at Judsonville this week.

Mr. D. B. Arrowsmith of Georgetown renewed acquaintances in town last Saturday.

Mr. and Mrs. John Allan of Dorchester are visiting friends in town.

Mr. J. E. Richards of Dundalk and Mr. J. E. Dowdell of Proton Station Sundyay in town.

Mr. W. H. Stinson of Chesley was in town last Wednesday. He gave the Standard a friendly interview.

Miss McDowell left on Saturday for her home in Kingston after spending the summer with her aunt, Mrs. W. J. McFarland.

Mrs. W. J. McFarland and Mr. W.

L. McFarland attended the wedding

last week in Owen Sound of Miss

Georgia Creaser to Mr. Theodore A.

Burrows, M.P.P., of Winnipeg.

Mr. and Mrs. Thos. Townsend of Townsend's lake, Glenelg, were in town Monday making their last call prior to leaving for Iowa, where they propose spending the evening of life.

We are pleased to see Mr. W.

Ritchie about again after being indisposed for some time. Mr. Ritchie has enjoyed excellent health during his long life never having required the services of a doctor before, and he is now seventy years of age.

Looking Up

There's an increased demand throughout the country for farm property at improved prices, and those who wish to purchase will do well to secure what they want before prices go higher, as they are sure to do. Quite a number of farms have recently changed hands hereabouts at fair prices, and others are looking about with a view to investing.

Mr. John Lynch of this place recently sold a 200 acre farm in Holland to Messrs. Wm. Lucas and J. E. Trefford and Mr. Willard sold his farm of 100 acres near Sheldon last week for \$2,600 to Mr. Sheldon Boyd, son of ex-councillor Boyd of Euphrasia. Many

are the enquiries for real estate and everything points to a continued revalorization of this character.
