Perfect Health can be yours.

Do not try experiments with your heat a. If you are not well use only a medicine known to cure. Dr. Williams' Pink Pills are not an experimept. They have cured thousands of

people, who had tried common medicines and failed to find health. Same of the cured are in your own neighborhood.

Mr. F. Mission, Deleau, Man., writes:—"I can speak in the highest terms of Dr. Williams' Pink Pills as a medicine for rebuilding the system. Previous to using the pills I was suffering from headaches, loss of appetite and extreme nervousness, which oft me in a very weak condition. The least work would fatigue me. I can now say, however, that I never felt better in my life than I do at present, thanks to Dr. Williams' Pink Pills. Similar sufferers -and there are many-will find it to their great advantage to use these pills."

Do not take anything that does not bear the full name "Dr. Wil-Hams Pink Pills for Pale People." It is an experiment and a hazardous one to use a substitute.
