Supreme Satisfaction.

Our productions of Men's clothing last year gave supreme satisfaction to all who wore them. This season we have made greater efforts to deserve greater success, and it's encouraging to know that trade is growing all the time and that people who have their clothing, made here once invariably come again.

"ONLY ONE"

There is but one Business College in Canada that owns the building it occupies and is NO¹ situated above stores etc. on noisy streets. The

Northern Business College

OWEN SOUND, ONT.,
is that ONE. It is conveniently a three story building on a quiet street, fitted up for college work and separate from the public. The graduates of most Business Colleges in the world study, but evrything is so far students there work at the "Northern". Write for Free Catalogue to C. A. Fleming, Principal, Owen Sound.

Tailoring

Spring is here and you want to dress accordingly. You desire comfort, and have some appreciation at least, for appearance. I can suit you in both. Leave your measure early and I will do my part up to date.

Reading What We Sow

"See, mama, boorful flowers!" and the baby runs in, dropping mayweed in her pett.

"Oh, go away; don't bother me, you naughty child, dropping litter all over my clean floor! Take those horrid weeds right out-of-doors again. Don't you see how busy I am?—four more tucks to make in this little dress before tea!" and the mother turns, frowning to her noisy sewing machine.

Baby goes, grieving, away; the gift of beauty to the one she loves best, has been harshly spurned.

Time passed. "I don't see why my children never give me presents, or payme little attentions, as my sister's children do," sighs the same mother. "And when the girls wanted Sarah to help carry flowers to the children's hospital, she refused, and called the posies 'trash.' I can remember she was very fond of flowers when she was a baby, and used to come dragging them into the house to make litter. She never thinks of giving any one a flower now, least of all her old mother, who has always stayed for her."

Be comforted, madam; you have your sewing machine, and can make cloth into tucked garments, such as the one you counted of greater worth than your child's gift of beauty, for love's sake.

Shall we punish in a baby that which in the man or woman we admire as a gracious and lovely deed?

A Guilty Conscience

In an Ohio town a saloon-keeper was seen by a friend walking back and forth before his saloon, as if in deep thought. The friend asked him what was the matter. He answered, "Oh, nothing." The next day the friend saw him walking the same way, and again asked him what was the matter. "Have the crusaders been after you?" — "No; but I have received a postal, signed by three ladies. The husband of the first is one of my customers, and is rapidly becoming drunkard. A son of the second is one of my customers, and is just starting in a drunkard's course. The husband of the third was one of my customers, and died a drunkard. It cuts close and I can't stand it."

"Woe unto him that giveth his neighbor drink, that putteth thy bottle to him and maketh him drunken also." Hab. ii. 15.
