**Victorian Order of Nurses**

Lady Abercrombie's visit has drawn attention afresh to one of the useful organizations she established during her regime, viz.: the Victoria Order of Nurses. Steadily it was gained in public favor, overcoming by its quiet, devotion to duty and its excellent management, whatever prejudice to its formation existed in the public mind when it was set on foot. The poor have been benefited, and so great has been the appreciation of the medical gentlemen coming in contact with the work done, that nothing but commendation is now heard. Throughout Canada the Order has given splendid service and deserves the warm support of the large-hearted public. It cannot become self-sustaining from the very nature of the work aimed at—work among the suffering poor, but it deserves such voluntary support as will enable the directing body to deal comfortably and conveniently with every case brought to its notice. The Order should be sought out by those who dedicate a portion of their means to works of benevolence and grace.

**Postmaster General's Report.**

The report of the Postmaster General of Canada for the year ending 30th June, 1899, is just out. It shows that there were opened, during the year, 138 new post offices; making the total number for Canada 4420. There was an increase of 114 per cent. in the letters posted, 4 per cent. in registered letters, and 31 per cent. in papers, books, circulars, samples, etc. The

**BLUES**

Ever have them? Then we can't tell you anything about them. You know how dark everything looks and how you are about ready to give up. Somehow, you can't throw off the terrible depression. Are things truly so blue? Isn't it your nerves, after all? That's where the trouble is. Your nerves are being poisoned from the impurities in your blood.

**AYER'S Sarsaparilla**

purifies the blood and gives power and stability to the nerves. It makes health and strength, activity and cheerfulness.

This is what "Ayer's" will do for you. It's the oldest Sarsaparilla in the land, the kind that was old before other Sarsaparillas were known.

This also accounts for the saying, "One bottle of Ayer's is worth three bottles of the ordinary kind."

\$1.00 a bottle. All druggists.
