On Sabbath forenoon Rev. Mr. Thom preached on the South African war, taking his text from Prov. 14th chap. and 4th verse, "Righteousness exalteth a nation." The war was a righteous war, Kruger was to blame for the war, he would not do to others as he would others should do to him. The sentiments expressed by Mr. Thom are the echo of at least ninety-nine per cent of the community.

There has been some trouble in our neighboring school section, No. 9, known as Cameron's. The teacher had punished several of the boys some time ago, and a few, very few, make this a pretext for trying to put him out of the school. We understand that a thorough examination into the whole matter would go far to exonerate the teacher and reveal a sad want of parental training. We do not say that the teacher has at all times taken the best way but we believe that the root of the matter lies at the fireside.

The kenescope exhibition in the Orange Hall Monday night was fairly well attended but was not up to expectation.

Mr. and Mrs. Woodburn are mending and able to go around again.

Mr. Sloan kindled a chip fire Monday night and we understand the fire caught into some lumber near the house; the damage is not much.

Flesherton

At a memorial service in Sherbourne Street Methodist Church, Toronto, on Sabbath the 28th ult. the following tribute was paid by Mr. F. R. Fudge to the memory of the late J. W. Henderson, who for a number of years resided here and was well known to many of our readers: Mr. Fudge said, "I am asked to refer specially to my old friend, Brother J. W. Henderson, who was for many years one of the most active members of our Church, and was known throughout the province as a loyal energetic Methodist, and true to his charge. He was known long by the official position he held in relation to our Quarterly Board, Trustee Board, and also as representative of the Toronto Conference and General Conference, as well as to all relations his influence was felt, and his ability recognized. He had the faculty of getting quickly at the point of any matter under discussion, and also had the force of quick decision. Until his serious disease confined him to his home, he was an active figure in our midst, and in Church work, and we can hardly realize that he has gone from us. The members of the Toronto Conference who come among us next week will miss him, and amongst them he has many warm friends. We cannot help but think of Brother Henderson as still cherishing his love for the Class Meeting, and his keen interest with those who were near and assisted on the upward Hill of Zion. Just as some successful man, who begins life in low ability, and looks back with interest to the home of his early days, so may we imagine Brother Henderson in the Class, as it was more to him than any other service. It was as a Class Leader Brother Henderson was best known, and will be long remembered. Brother Henderson's leadership was unique. He had ways of his own, and it was very difficult to describe to those who had not the privilege of associating with him just what his methods were. For example, he often conducted his class as if he was taking evidence from various witnesses as to the value of Christianity. His simple creed was that Christianity helped men to help one another. In asking for their decision he would put a question. For instance, "Dr. do you find religion helps you in your practice? Students, how do you find it in your work? Brother, does prayer help a man to lay bricks? Can you as a banker tell of Christianity?" and so on throughout the meeting. To do something was his expectation. If Brother Henderson stood here amongst us, and our names were on this memorial roll this evening, his advice would be to take up the burden of life, and we best honor his memory by so doing. We believe he exerted great influence for good on the lives of many, especially young men and women, who have gone out from this Class all over this country of ours. Those whom Brother Henderson has helped to stand up for the truth acknowledge with thanks to God their indebtedness to his words and works."

The news on Thursday morning last that Pretoria had surrendered caused another outburst of patriotic enthusiasm from the loyal British subjects of this place which was early in the morning dressed in holiday attire with innumerable flags and Union Jacks. The public school children were given a half holiday and invitations were sent to Ceylon and Wright's schools to come in and help celebrate, which they loyally did led by their teachers Vollet and Reid. At 2 o'clock business was suspended, the I.O.F. Band turned out marshaled by riders on R. N. Henderson and W. Bentham's prancing steeds led the combined schools and a large crowd of citizens to the park when Mr. A. S. VanDusen was called upon to preside and gave an appropriate opening speech. Patriotic addresses were then given by Mr. J. W. Frost, Owen Sound, Rev. J. Ward, Mr. J. B. Grimshaw, Baptist pastor, Dr. Christie, Mr. M. Richardson, Principal Slaughter and Teacher Reid. The speeches were interspersed with patriotic songs by T. J. Sheppard, E. W. Ritchie and Dr. Murray and the school children sang with great heartiness "For Queen, Flag and Country" and "The Maple Leaf Forever." The band rendered several selections closing with the National Anthem after which another parade took place dispersing on the village square with the usual British cheers. At 11 p.m. the village was illuminated by a huge bonfire on the square and cannon firecrackers were freely used while the stock lasted. After most all had retired for the night the mischievous ringing of the Methodist Church bell by some one gave many a fright and sudden call to the street thinking a fire had broken out. It was a trick should not have been played.

On Wednesday of last week Mrs. Donald McLeod, west back line, slipped and fell while passing through an opening in the fence and broke her leg near the ankle.
