Eugenia

June 25.—Very dry and warm. Crops of all kinds are looking well except hay which is a decided failure. The crop so far as I can see will be a small half; that week of frosts in May is said to be the cause. Fall wheat has picked up well and oats and peas give promise of a full crop.
The usual quantity of fish stories have not begun yet.
Seldom a day passes without some tourist or picnic party paying our town a visit. Last Wednesday we had a large party of A. F. & A. M. with us, who enjoyed the trip very much. Several of our townfolk were invited to join them in their sports which they did with great pleasure. On Friday we had a good number of the Canadian Order of Foresters and in the latter part of the afternoon many of our citizens entered as hearty into the entertainments as did the stranger.
Our mills are all very busy. Mr. Sloan has shipped a lot of shingles and the Wilson establishment is sending out loads of door and window frames and sashes nearly every day. Mr. Carr is busy cutting his soft elm and will have it nearly all done this week. He has got a large saw—the largest in this part of the country, which will enable him to cut the largest logs in his yard without needing to split them through the middle as he had to do with some. The saw is 66 inches in diameter.
Mr. Charles Hopps has opened a shop for the repair of bicycles. The shop is just across the road from Mr. Williams' blacksmith establishment.
Next Sabbath Rev. Mr. Plunkett will preach his farewell sermon to the Methodist congregation here. We are sorry to lose Mr. Plunkett, as he is a thorough Bible student and a solid, clear preacher. We are glad to know he is to have a charge in the neighborhood of Toronto.
On Sabbath Mr. Gaudon officiated in the Presbyterian church. The discourse was very good and listened to very attentively by a large congregation. Rev. Mr. Thom has been at General Assembly meeting in Halifax, and is expected to be in his place in the church next Sabbath.
The plank is being laid down for our sidewalks.

MILBURN'S HEART NERVE PILLS

Look in your mirror today. Take a last look at your gray hair. It surely may be the last if you don't stop it now. You wouldn't keep your gray hair longer than you wish. There's no guesswork about this; it's sure every time.

To restore color to gray hair use—

Ayer's Hair Vigor

After using it for two or three weeks notice how much younger you appear, ten years younger at least.

Ayer's Hair Vigor also cures dandruff, prevents falling of the hair, makes hair grow, and is a splendid hair dressing.

It cannot help but do these things, for it's a hair-food. When the hair is well fed, it cannot help but grow.

It makes the scalp healthy and this cures the disease that causes dandruff.

\$1.00 a bottle. All druggists.

My hair was coming out badly but Ayer's Hair Vigor stopped the falling and has made my hair very thick and much darker than before. I think there is nothing like it for the hair. — Mrs. M. L. L., Lowell, Mass., April 25, 1890.

Write the Doctor.

If you do not obtain all the benefits you desire from the use of the Vigor, write the doctor about it. Address, Dr. J. C. Ayer, Lowell, Mass.
