Dominion Day Celebration a Grand Success — 2000 Pleasure Seekers Highly Pleased with the Amuse-

ments Provided. On Monday morning last week our citizens were early astir unfurling flags o the breeze and otherwise preparing to loyally celebrate Canada's Natal Day, which, with an immense crowd of visitors who poured into town from early morning, was done in the most orderly and highly pleasing manner. The excellently carried out programme of sports commenced at 9.30 a. m. when a mounted Boer army (Calithnmpians) from Eugenia arrived and ifter some amusing manœuvres on the imaginary foe, their Long Tom cannon and rifle fire creating war-like din. At the word of command from General with a victorious shout and orderly gallop from the field to take part later in the Monster Trades Procession then forming. The procession, in preparation for which much labor had been spent, formed in the west of the village, and for over an hour marched through the principal streets, to the Agriculturl Grounds and back, receiving the plaudits of the spectators as it passed. The carriages and large flats which carried the excellently represented trades, were artistically decorated, some of them pictures to behold. First on horseback rode the committee-Messrs A. Wilson, R. N. Henderson, M. Wilson and George Mitchell, followed by clergymen, doctors, township officials and I. O. F. Band in four carriages.

fun for the spectators. R. Henderson and Reg. Ward were in their element representing hard times. The old couple came to town to see the races, driving a 25-year-old nag, stone blind. Their personal get-up and entire outfit was a side-splitter for (the crowd, D. McTavish, R. Whitten and J. H. Heard each had excellent representatives of their carriage and blacksmith shop works, anvils rang, forges were in blast, and on one of Hpard's flats a horse was shod during the parade. On one of McTavish's flats stood a mule waiting for new shoes, and was quite orderly during his outing. T. Clayton, shoe store, and busy on the bench-W. Moore, harness shop, and stitching away-T. The evening program consisting of balloon ascensions, fire works and illuminated bicycle parade was equally interesting with all that had been before and was witnessed by an immense throug, the streets being almost impassable. Editor Thurston and Principal Slaughter

led the parade, the editor riding a uniquely decorated and much admired wheel. Mr. R. N. Henderson managed the fire-works almost to perfection, and to his ingenuity and perseverance in the preparation of the program does the Committee attribute much of the success attending the entire celebration. The receipts of Celebration Committee were as follows :-Subscriptions from citizens \$162.25, gate receipts \$193.50, entries and booths \$40.62, Total \$396.37.

Paid prizes \$178.80, balance on hand, \$217.57, a good beginning for next year's celebration. Rev. W. G. Hannah, of Mt. Fcrest,

preached excellent anniversary sermons in the Presbyterian church last Sabbath week. The usual festival was held on Monday evening. A short but spicy programme was rendered, consisting of solos by Mrs. Sheppard and Miss Joy and short addresses by Mr. M. Richardson, Rev. W. Ayers, and Rev. Jos. Buchanan. Total proceeds,
