Mr. G. W. Armstrong, painted, which
vastly improves the appearance of this
beautiful residence. A. F. Wyvill

The Presbyterian church S. S. pic-
nic was held in Nesbitt's grove, west

proved most successful. The weather
was all that could be desired and the
attendance good.

corporate the village as a town, which
was also carried.

There was a large and respect-
able turnout of Orangemen on Sunday
evening last at the Methodist church,
and Rev. Mr. Buchanan delivered an

dress suitable for the occasion.

Now that Main street is getting in
passable condition after the extensive
improvement which has been in pro-

hibiting the riding of bicycles on the
sidewalk is to be strictly enforced.

Master Kendall Haskett, son of Mr.

Mr. George Elder, of Arnott, brother
of the late William Elder of Flesher-
ton; was found dead on Thursday of
last week with his face in a spring of
water where he had evidently died of
heart failure while taking a drink. He
had been subject to heart trouble.

Mr. Thos. Galloway, of Uxbridge,
a cripple, but worthy layman, and
able lecturer, will occupy the pulpit
of the Methodist church, next Sunday
evening. His theme will be "The life
to live and how to live it." He will
preach at the Harkaway appointment
at 2.30.

Mr. C. C. Whale, Grand Organizer
for the Independent Order of Forest-
ers, died in Grace Hospital, Toronto,
on Tuesday last, July 10th. Deceased
was stricken with paralysis while in
Owen Sound two weeks ago, but re-
covered so as to be able to be moved
last week to Toronto, but succumbed
as above. He was 48 years old.

Harkaway Methodists have had the
remains of the old church removed, the
cemetery enclosed with a neat wire
fence and the premises generally im-
proved. A successful garden party
was held on Thursday June 28th which
was largely attended and eminently
successful. A new organ was recently
purchased from Mr. Wm. Jackson, and
a sentiment of commendable advance-
ment pervades the congregation.

At the annual meeting of the Ladies'
Aid of the Methodist church held re-
cently the following were elected for the
current year: Mrs. C. W. Rutledge,
president; Mrs. W. A. Armstrong,
vice; Mrs. Buchanan, secretary; Mrs.
S. J. Halbert, treasurer. It was decid-
ed to hold a garden party at the par-
sonage on the evening of the 17th July,
proceeds in aid of the 20th Century
thanksgiving fund.

This is the season of the year when
noxious weeds bloom and scatter pro-
lific seed broad cast. Every farmer
and real estate owner or occupant
should use his best endeavors to cut
all such and prevent them maturing.
It is surprising how indifferent some
are in this respect. Even those who
have but a small fraction of an acre to
look after allow the bur, burdock,
thistle, mustard and such to bloom and
mature right under their nose. Don't
do it neighbor.

Will Work at Night
Countless thousands have found a
blessing to the body in Dr. King's New
Life Pills, which positively cure consti-
pation, sick headache, dizziness, jaun-
dice, malaria, fever and ague and all liver
and stomach troubles. Purely veget-
able; never gripe or weaken. Only
25 cents at Stephen's drug store.

Fell From Her Bicycle.
Miss Ida Irwin received a severe
shaking up by falling from her bicycle
while riding up Queen street on
Tuesday evening of last week. She
fell heavily striking her left temple on
the hard road which stunned her. She
soon regained partial consciousness
and was carried to the house of her
cousin, Mr. David Henry, a few yards
distant, and Dr. Ego was called in.
The doctor is of the opinion that she
was overcome by the heat. She was
able to go home one and a half miles,
two days later, and is, we are pleased
to say, herself again.

Garden Party
The annual garden party given at
Christ Church Rectory on Thursday
evening was a most sociable and en-
joyable affair. The weather was propi-
tious, the lunch toothsome, the ice
cream, strawberries, etc., first class,
the music excellent, and the manage-
ment unique. Prof. Perkins with his
excellent staff deserve more than a pass-
ing notice for the superiority of the
band music rendered, while the rector,
Rev. Mr. Newell, could not have done
more for the success of the party than
he did. The grounds were lighted by
electricity. Proceeds \$26.00.

Death of Mrs. Wm. Turner.
Mrs. Wm. Turner, an aged respect-
able resident of Annap, died at her home
on Sunday night. The deceased lady
had been in poor health for the past
year and death had long been ex-
pected. She was seventy years of age,
and resided in Sydenham for many
years. Mrs. Turner was very highly
esteemed by her acquaintances, a large
number of whom were present at the
funeral, which took place on Sunday
at Annap cemetery. Rev. J. P. Fraser
conducted the services at the house
and grave.—Owen Sound Times. De-
ceased was mother of Mr. J. P. Turner

No Relaxation
Mr. John Caesar, our station agent,
has been in charge here for twenty
years this summer, and is as tasty in
the care of his premises as ever. A
neatly kept and attractive lawn and a
large, well filled and productive veg-
etable plot are undoubted evidence of
his taste and industrious habits. It is
said "A new broom sweeps clean," but
in Mr. Caesar's case there is no relax-
ation; and he is just as vigilant in look-
ing after the interests of the C. P. R.
as of his garden.

He Is a Wonder
All who see Mr. C. E. Collier, of
Cherokee, Iowa, as he is now cheerful,
erect, vigorous, without an ache, could
hardly believe he is the same man who,
a short time ago, had to sit in a chair,
propped up by cushions, suffering in-
tensely from an aching back, in agony if
tried to stoop—all caused from
chronic kidney trouble, that no medi-
cine helped till he used Electric Dis-
tillers and was wholly cured by three
bottles. Positively cures backache,
nervousness, loss of appetite, all kid-
ney troubles. Only 50 cents at R. L.
Stephen's drug store.

Will Rebuild
We are pleased to announce that Mr.
Angus Plewes—who recently lost his
flour mill by fire—has decided to re-
build forthwith. He has let the con-
tract and a gang of men are now at
work clearing the way for the founda-
tion. Mr. Joseph Gibson does the
mason work and Mr. W. G. Richards
the wood. If neighboring farmers
and others would turn in and give Mr.
Plewes a day hauling stone for the
foundation we are sure it would be
much appreciated by Mr. Plewes, as
well as a deserving act. Saturday or
any day early next week will be the
time to do so. Let there be a grand
rally.

Ladies, Bear in Mind
We draw special attention to the
visit of Prof. Dorenwend to Markdale,
who will be at the Markdale House on
Friday, July 27, with a large selection
of styles in Hair Goods, such as Ladies'
and Gents' Wigs, Toupees, Bangs, Long
Switches, etc. His Hair Coverings are
worn everywhere, and the satisfaction
obtained by those who adopt them, are
health, comfort and younger appear-
ance. DON'T MISS this chance.
Why look careworn through the loss
of Hair when Prof. Dorenwend's Art
Goods can improve your looks? He
will demonstrate this to every caller
free of charge.

Don't Grumble
Any individual can grumble or find
fault, and it is no evidence of
either intelligence or good common
sense. We meet them every week, and
some are not content with what they
can do personally but urge the editor
to "go for" the council for doing this,
or for leaving undone that; or to
"roast" this individual or that organ-
ization on account of some imagined
shortcoming. As a rule there's nothing
gained by grumbling either in a
public or private way. The chronic
grumbler is detested in public, and is
a heart sore in the family life. What-
ever you are, don't be a grumbler.

Christ Church S. S. Picnic.
Last Friday afternoon the pupils of
Christ Church Sunday School had
their annual picnic in Mr. John Walker's
grove adjoining the farm of Mr.
Richard Watson. The children, teach-
ers and friends were driven to the
grove in vehicles. Mr. Walter Turner,
the superintendent of the School, was
in charge of the picnic and was un-
ceasing in his attention to the wants of
all. After a bounteous repast consist-
ing of sandwiches, cakes, ice-cream,
etc., a number of prizes were offered
for running, jumping, etc. A six-mile
drive home ended the outing which
was greatly enjoyed by old and young.

Mrs. W. J. Fauson, and little daugh-

gave the Standard a call.

Mr. and Mrs. Geo. A. Dowling, of
Ladner, B. C., arrived a week ago last
Saturday and will spend a couple of
months with friends hereabouts.

Miss Leslie left Tuesday for Oak
Lake, Man. where she will reside for a
season at least, for the benefit of her
health. She had been for some months,
visiting friends in Albion, not Toronto,
as visited last week.

Mr. John Young and Miss Sarah E.
Young, who have been residing at the
Soo, Mich., for some years, visited the
parental home and other friends near
Berkeley recently, returning to Saulte
Ste-Marie last week.

Mrs. Hurst, who had been visiting
her mother and other relatives here,
left on the 26th ult. and after a stop off
for a few days with her sister, Mrs. J.
T. White in Hamilton, was to return
to her home in Winnipeg last week.

Mr. Robt Pritchard preached an ex-
cellent sermon Sunday morning in the
Methodist Church, and left Monday
for the N. W. T. for his new field of
labor. The Standard joins with his
many friends in wishing him genuine
success.

Markdale Leads—
In fast horses as in most other things
Markdale is right in the front ranks.
The pacer, Hal Forest, by Boaz 2.17 1/2,
a son of the mighty Onward 2.25 1/2, has
been cutting quite a wide swath at the
western Ontario meetings this season.
He won the 2.19 pace at Aylmer and
the next day won the free-for-all at the
same place. He also won the free for
all the next week at Guelph in 2.18 1/2,
2.18 1/2 and 2.18 1/2. He next landed at
London, Ont., a seven heat race, re-
ducing his record to 2.16 1/2; then at
Hamilton the following week he won
again in straight heats, and at Strat-
ford on the 3rd inst he appears to have
been wound up to concert pitch, as in
the 2.15 class he won easily in straight
heats from such good horses as Black
Joe, Billy, Hinity Ed and Miss Del-
march in 2.17 1/2, 2.14 1/2, 2.15 1/2. He be-
long to J. E. Marsh of this place, and
those who know him best say that he
has by no means reached his limit.
His Stratford record of 2.14 1/2 has been
equalled by only one horse (Ace) on a
Canadian half mile track.

Some Manners and
Morals.

Always look at the person to whom
you speak. When you are addressed,
look straight at the person who speaks
to you. Do not forget this.

MILBURN'S
HEART AND NERVE
PILLS

Milburn's Heart and Nerve Pills are
just what every weak, nervous, and
woman needs to make her strong and well.

They cure those feelings of shivering
and shivering that come on at times, make
the heart beat strong and regular, give
sweet refreshing sleep and banish head-
aches and nervousness. They infuse new
energy into dispirited, healthless
nervous women, who have come to think there
is no cure for them.

Read the words of encouragement in
this letter from Mrs. Thos. Sommers, Cin-
cinn, New London, P. E. I.

"Last fall I was in a very serious con-
dition suffering from nervousness and
weakness. I got so bad at last that I could
hardly move around, and despaired of ever
getting well. Securing Milburn's Heart and
Nerve Pills highly recommended for such
conditions I purchased a box.

"Before I had taken half of it I could
notice an improvement in my condition and
when I had used two boxes I was com-
pletely cured."

"I was wonderful how these pills took
away that dreadful feeling of nervousness
and gave me strength."

"I recommended them to my neigh-
bor who was troubled with nervousness,
and they cured her, too. We all think there
is nothing equal to Milburn's Heart and
Nerve Pills."

Speak your words plainly; do not
mutter or mumble. If words are worth
saying, they are worth pronouncing
distinctly and clearly.

Do not say disagreeable things. If
you have nothing pleasant to say keep
silent.

Think three times before you speak
outrage.

Have you something to do that you
find hard and would prefer not to do?
Do the hard thing first and get it over
with. If you have done wrong, go and
confess it. If your lesson is tough,
master it. If the garden is to be weed-
ed, weed it first and play afterwards.
Do first the thing you don't like to do,
and then with a clear conscience pro-
ceed with the rest.
