A Turkey Usurper.
It is not often that a turkey cock
takes to hatching, but some weeks ago
a "gobbler" belonging to Mrs. Wm.
Blair, Artemesia, drove a hen from a
setting of turkey eggs and took pos-
session of the nest, keeping the eggs
warm until the young birds came out,
and since then there's not as proud a
mother or more diligent protector of
young than this turkey usurper. It is
extremely comical to see this male bird
strut about the barnyard; and particu-
larly in gathering his brood under his
wings.

Annie E. Springer of Philadelphia, Pa.,
when Dr. King's New Discovery cured
her of a hacking cough that for many
years had made life a burden. She
says: "After all other remedies and
doctors failed, it soon removed the pain
in my chest and I can now sleep sound-
ly, something I can scarcely remember
doing before. I feel like sounding its
praise throughout the Universe." Dr.
King's New Discovery is guaranteed to

lungs. Price 50c and \$1. Trial bottles

A Desirable Change.
GENTLEMEN WHO ARE BALD.—A great
many think it is impossible to replace
their former growth; these thoughts

men wear his Art-Frojections. They
are feather-weight, securely adjusted,

Results of the High School
Entrance Examinations.

The following is a list of successful
candidates at the recent High School
Entrance Examinations held at the
centres named. Certificates only will
be sent to those who have passed as
per subjoined list, the marks of those
who have failed will be sent to their
teachers from whom they may be ob-
tained. As most of the failures were
in history, arithmetic, drawing and
spelling, it may be advisable to direct
the attention of teachers to the neces-
sity of greater care in teaching these
subjects, especially history and arith-
metic. A minimum of 550 marks was

Expression of Appreciation.

The members of the Presbyterian
choir visited Mr. J. W. Whitty at his
home on Monday evening, on the eve
of his departure for Dundalk, and
presented him with the following ad-
dress and an essay chair:
Address to Mr. Whitty:
From the Members of Cook's Church
Choir, Markdale.
We take this opportunity to express
to you our estimation of your valuable
services as member of the choir in the
Markdale Presbyterian Church. You
have given your time and talent both
on practice night and at the regular
Sunday services voluntarily and with-
out remuneration. We desire to ex-
press our appreciation of your faithfulness
to the choir during the past four
years. As a mark of our appreciation
of your services we beg you to accept
this chair. You will look upon it not
as a measure of the value of your work
but simply as a token of our sense of
your fidelity to duty.
The members of the choir join in
wishing you success in your new home.
On behalf of the choir, Mrs. Barnett,
Miss V. McDuff.
Mr. Whitty appropriately replied.

"A Shot at that Pew."

The 'Witness' tells a story of a young
minister, who, going to a new church
last spring, was informed by the official
brother that his salary would be a
thousand dollars; and that as every
summer a wholesale liquor dealer visit-
ed the town with his family and paid
regularly fifty dollars for a pew in the
church, it would be policy for the
minister to touch the liquor question
gently, to avoid giving offense. The
reply of the young man was,
"Take fifty dollars off from my sal-
ary, for I want to get a shot at that
pew."

The Houschepers.

Disordered Kidneys bring them
a multitude of pains and aches.

How often weaken
give out before the
day's work is fairly
begun and sink into a
chilly utterly worn
out.

But the housework
more to, goes even
through the back does
ache, and the head
feels ready to burst.
These women can't
understand why they
are never strong, why
the night does not
bring rest, why they
are always tired, have
to be pained and aches.

As a rule the real cause of the trouble is
the neglected kidneys. These
delicate filters of the blood get out
of order and as a result the uric acid and other
poisonous things they ought to carry off are set
back into the system.

There is no use trying to get relief until
the kidneys are restored to health.
The easiest, safest, quickest way to ac-
complish this is to take Doan's Kidney Pills
regularly. Doan's Kidney Pills are the only
remedy for all kidney
troubles.

Mrs. M. S. Frost, Little River, Dicky
Co., N. Y., recently wrote as follows: "I
have much pleasure in stating that Doan's
Kidney Pills have wonderfully improved my
health. I had been suffering with lame
back for a number of years and at the time
I began to use Doan's Pills I was almost
unable to do any housework.
I have had three boxes and must say
I have found the pain out of my back
and I feel much stronger. I don't think
there is any other medicine equal to Doan's
Kidney Pills for kidney troubles."
