On Wednesday of last week Mr. and Mrs. Wm. J. Henderson, of Mount Zion neighborhood were bereft of their youngest child, Hartley Thomas a very bright little fellow nearly two years of age. A large number of sympathizing friends attended the funeral at the Mount Zion cemetery on Thursday afternoon, when the pastor, Rey. T. R. White, of Eugenia, preached a comforting sermon from Acts 2-89, "For the promise is unto you and to

your children." The home of Mr. and Mrs. Joseph Watson, Durham Road, was the scene of a pleasant gathering and a happy remember the object of our gathering | matrimouial event on Wednesday of this evening, to take farewell of one last week. The two made one were Mr. Lou Pisher who has been for some time in this locality in the ship timber appreciation of your unremitting business, and Miss Lizzie, only daughter of Mr. and Mrs. Watson. The marriage ceremony was performed by Rev. F. W. Varley, M.A., of Priceville. Mr. Jos. Watson, brother of the bride, and Miss E. Wright, of Proton Station, performed the duties of groomsman and bridesmaid. A sumptuous wedding repast was served

and the happy couple left on their honeymoon to the former home of the groom in Quebec province. The wedding presents to the bride betoken the esteem in which she is held by her numerous friends. Mr. Petch has been out of health and unable to work for several months. He intends moving up town.

Water in the wells in this place and vicinity has become so low that the fall rains will be welcomed by many, especially by some of the farmers who have to drive their stock long distances to water. Several have been sinking dry wells with the hope of reaching water, but have not been very successful. Mr. John Harrison has been the most unfortunate having sunk a 50foot pipe in the bottom of a 40-foot well and yet no water.

Mr. and Mrs. Thomas Blakeley lost their infant daughter, ten weeks old. Tuesday of last week.

Summer cholera is prevalent in this locality, but in the neighborhood of Portlaw and farther east into Osprey township it appears to have become an epidemic and in most cases violent.

A short but violent thunderstorm passed over this place early on Sunday morning last. The picket and board fence surrounding Mr. A. Munshaw's garden and orchard was struck and splintered in many places. A barbed wire along the top of the fence appears to have been a conductor for the electric current as the damage was done where the wire was attached by staples. The shock was almost paralyzing to those who live in close proximity to the fence struck.

Miss Zilla Trimble gave a pleasing party to a company of young friends on Wenesday evening of last week the event being in honor of her sister, Miss Ethel, who is home on a visit from Detroit.
