For Fall Business. Long ago, when you were thinking of muslins and warm weather stuffs, we were planning and preparing for cooler days. Our plans are now being perfected in the completest and biggest fall stock it has ever been our pleasure to lay before our customers. Neither time nor money has been spared in collecting the best, and in all departments you will find a profusion of worthy styles and fabrics not bettered by any store far or near.

**MILBURN'S HEART AND NERVE PILLS**

is an inestimable boon to anyone suffering from any disease or derangement of the heart or nerves or whose blood is thick and watery.

Mrs. E. Horning, of 115 George Street, Sarnia, Ont., is one of those whose experience with this remedy is worth considering.

It is as follows:—"I am pleased to recommend Milburn's Heart and Nerve Pills to anyone suffering from nervous trouble, no matter how severe or of how long standing.

"For years my nerves have been in a terribly weak condition, and Milburn's Heart and Nerve Pills, which I got at Geary's Pharmacy, have strengthened them greatly and invigorated my system, leaving me no excuse for not talking know their virtues.

"I cannot refrain from recommending these pills to all sufferers from nervousness and weakness."

**DR. FOWLER'S EXTRACT OF WILD STRAWBERRY**

**Grandma** Mrs. Thos. Sherlock, Arnprior, Ont., recently writes: "My little girl, three years of age, was taken very bad with diarrhoea, and we thought we were going to lose her, when I remembered that my grandmother always used Dr. Fowler's Extract of Wild Strawberry, and often said that it saved her life. I got a bottle and gave it to my child, and after the third dose she began to get better and slept well that night. She improved right along and was soon completely cured."
