FLESHERTON OCCURRENCES

It affords your, correspondent great pleasure this week to chronicle the marriage of our esteemed townsman, Thos. Carter, M.D., who on Wednesday of last was joined in wedlock to Miss Eliza Pye, third daughter of the late Charles Pye, Esq., of Meaford, in which towa Miss Pye has for a number of years adorned the teaching profession and will be greatly missed from the public school staff. | The marriage took place at the home of the bride's mother, Elder C. J. Lister, of Owen Sound, officiating. The drawing room decorations amidst which the ceremony was performed, we've artistic and were in parmony with the scason, being chiefly of evergreen and autumn leaves. The bride was prettily attired in a travelling suit of brown cloth and was attended by her neice, Miss Fulton, of Woodstock, who was gowned with Tuscan silk lisse over white silk, with touches of black velvet. At the conclusion of the ceremony and congratulations a dainty wedding dinner was served after which Drivand Mrs. Carter left for their: new home here arriving at 9 p.m. and were given a cordial reception by a few of the ladies who had a luncheon awaiting them. The happy couple, were also given a splendid musical welcome by the I.O.F. band, who at the conclusion of their program received generous treatment at the hands of the doctor. The estcem in which the bride is held by her numerous friends is betokened by the array of very beautiful wedding presents, among which may be mentioned a beautiful silver tea service from Mr. and Mrs. Chas, Pye of Meaford, a beautiful marble clock from Mr. and Mrs. Tobias of Toronto, a costly and handsome cabinet of stirling silver from Mr. and Mrs. R. R. Fulton, of Woodstock, and a very hand-some upholstered oak chair and silver oast rack from the Me school staff and scholars. The STAND-ARD scribe joins with hosts of other | *** friends in extending to Dr. and Mrs. Carter the customary congratulations, hoping that life to them may be long and as bright as was their wedding

day. A large congregation listened with deep interest to Rev. J. G. Shearer on the work of the Lords Day Alliance in the Presbyterian church on Sabbath afternoon last. Mr. Shearer's excellent address will, we have no doubt, awaken interest here in the work of the Alliance in their hoble efforts to preserve the sanctity of the Sabbath throughout our fair Dominion.

On Saturday last Fred Bund, driver of the egg waggon, and Mr. Pooley, pickler in the eggery, were on the waggon near Thompson's corner on the Meaford Road and descending the hill at that point they were thrown forward from the box on which they set and fell beneath the horses feet. The team began to kick and run, but were captured at the corne: without damage to the waggon. Mr. Bunt rebut was considerably shaken up. Both had a narrow escape from very serious

injury. Editor Thurston took an outing to Eugenia on Thanksgiving Day and after wearisome climbing over rocks and debris secured several gems of of stereoptican views of the gorge below the falls. Our old friend, Mrs. Colwell Carson, of the Meaford Road, dropped in on us on Saturday last and presented us with some choice fruit from her garden which will please our palate for many days to come.
