of the last meeting of the June session the Warden made a few interesting remarks. He expressed his pleasure at seeing those who were present in such good health, and presumed the other members, who were no doubt delayed by the unpropitious weather, would be present before the next meeting. The bulk of the business before the council was mainly of a routine nature. Since the June session he had signed several orders for payment of bridgecontracts. In doing this he had followed the rule, laid down by council with reference to those exceeding in cost \$200. There

John Gibson, two miles south cast of Fronerty was to be congratulated in claims against the county for damages on account of people being injured by considerable expense, and be had a letter from Mr. Righardson on the subject which contained some valuable suggestions, as Mr. Richardson had county. A boy named Wm. Alexander who had been sent to the Mimico Reformatory and for a time maintained there by the county, bad been transferred, so far as his maintenance was concerned, to the county of Bruce to county, which would be brought more fully before the council later. There were several matters in connection with, and a deputation from Meaford ence to railway extension and construction of an elevator. The minutes sarily long in the printer's hands, having only been received within a few days. This should be looked after in future. The Warden, in closing, made reference to the election of Mr. M. Richardson as representative of South Grey in the House of Commons. This was cause for the congratulations of the and he did not besitate to say for him-'self, that since South Grey had gone Conservative he could not be more pleased with the election of any man than Mr. Richardson. He had couferred an honor on the council of which he is a member. Mr. Gordon made a good red, and perhaps Mr. Gordon felt that it would be conferring
