HILL & CO. Our big JANUARY SALE Continues

The past week has given us the largest business we've ever enjoyed in January. We're profit-sharing these days, or, to be more correct, we're giving away entire profits and in many instances a part of the original cost. But no matter if we do lose money occasionally, we've had an exceptionally and unprecedented large season's trade, and we want to sell the balance of our Winter Goods before stock-taking. We want everything ship-shape for our new spring goods which will begin to arrive in a few weeks. The following lines selected from hundreds of such emphasize our values; everyone of them a trade-winner.

Infants "Health Brand" underwear, made of finest natural wool, 10 dozen of the twenty-five-cent-a-piece kind to be sold at each

58 Silk Spools, all colors including black. These are the famous "Belding" make, than which there's none better. Regular price 5 cts. each, your choice now 2 for

You'd better secure a supply of these—no limit as to quantity.

61 Wool Fleece Underwear, extra heavy, warm goods. This is a Standard line that is retailed in most places at 50 cents each. We've enough to clothe two hundred men and the price now is only each
