\$120,000 are to be made this spring and the party dispersed with many good summer by the C. P. R. between wishes for the success of the friends Montreal and Owen Sound in enlarged which all were sorry to part with. sidings, repairing bridges, ballasting track, and electric plants for lighting freight sheds

Col. Steele arrived at Ottawn on Monday night. He will be in the city four or live days, and then proceed west to make arrangements for recruiting 1,000 additional men for the South when all other medicines failed, three African Constabulary. The colonel \$1.00 bottles of Dr. King's New Dissaid he had definitely decided to accept covery wholly cured me and I the colonelcy offered him by General gained 58 pounds." It's absolutely Baden-Powell. The second draft will Guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all throat and leave Canada in about two month's Lung troubles. Price 50c and \$1.00.

The man who is too lazy to hunt deer without the use of a tame wolf should be denied a license. Killing deer in the water is also a cowardly practice and ought to be prohibited. The man who secures his venison by still hunting earns it and is worth of being classed among true/sportsmen and real hunters. A license fee of \$10 is little enough for dog hunters and butchers of deer in the water. The leer has a right to British fair play as rell as the man behind the gun.

Hon. W. D. Perley, of Alberta, is a intervals as required, instead of making farmer, and feels rather lozesome in one large purchase do the year as has the Senate, because there are so few of been the custom heretofore, and Miss his fellow-toilers occupying seats in Mann and Messrs.
