Lacrosse.

The lacrosse match on Monday even-
ing last between the Canadian Thistles
of Dundalk, and the Aberdeen III, of
Markdale, was intensely interesting
and was witnessed by a large number,
fully one third being ladies. The
Thistles objected to one or two of the
Aberdeens and an hour was occupied
in discussing the point. Finally
matters were agreeably adjusted and
the game commenced. A casual glance
at the two teams did not inspire an
over abundance of confidence in the
home team's ability to win, but the
game had not advanced very far
when it was seen that the Aberdeens
could play the best kind of lacrosse.
The Thistles were well schooled in
combination play, but their opponents
mixed combination with fast checking
and it was owing to this that they won.
Towards the last the Markdale flags
were frequently in danger and it was
at this time Dundalk secured their two
goals. Dassie Mercer tallied twice for
Markdale and Joe Crowe once, the
score being three two in favor of the
home team. The game was character-
ized by good feeling and clean playing
on the part of the boys. "The only
feature that savored of burlesque was
the referee." He had an awfully tender
heart, as far as the Thistles were con-
cerned, and couldn't stand half what
they stood. He filled the bill very
nicely, however, and everybody enjoyed
the music of his little whistle.
Enthusiasm is responsible for a good
deal, but there should be a thorough
enforcement of the rule allowing the
boys a clear field, in which to try
conclusions. Markdale has a good
copy of this fault. The return match
will be played on July 1st.

Woodstock will be incorporated as a
city on July 1st.

Philippe Fontaine, P.H.D., L.L.D.,
and his Egyptian company, will appear
in Marsh's hall on Thursday evening
next, under the auspices of the Inde-
pendent Order of Foresters. The
entertainment promises to be Egyptian
character and is spoken very highly of
by all who have seen it.

The entertainment given by Cox
Bro's, in Marsh's hall on Tuesday even-
ing under the auspices of the Women's
Guild of the English church, was well
attended and pleasing to all. The
moving pictures, including the funeral
procession of our late Queen, were
splendid, and the gramophone selec-
tions were much enjoyed.

Victoria Day in Markdale.

The Markdale folk, quite eager, spoke
of May the Twenty-fourth,
And say, "We're off to tell all, they
Are going to have a grand
Eric Victoria Day."

First, on parade, red coats displayed,
Cadets would march, 'twas true,
They fear not gun nor heat of sun,
Yet, none came out to view.

On Victoria Day:

O cyclers fast! who hasten past,
While crowds crush round and cheer,
His was not you, nor cycler clear,
On Victoria Day.

With joy they're kicked; who would restrict
The playing of foot-ball,
But no one was at all,
On Victoria Day.

That Victoria Day,

O cyclers fast! who hasten past,
While crowds crush round and cheer,
His was not you, nor cycler clear,
On Victoria Day.

With joy they're kicked; who would restrict
The playing of foot-ball,
But no one was at all,
On Victoria Day.

The Maristide Band with music grand
Would to the bandroom,
No sounds were horrid drum nor horn;
In silence they agreed.

Have played their part right well,
And Orangeville team we true might deem
