STANDARD readers will do well to remember that Rocklyn, of Euphrasia, is not spelled "Rockland," as is frequently done in addressing mail matter. Rockland post office is in Russell county, Ont., and mail matter addressed to Rockland would of course find its way to that far off point.

Errors will creep in. In our chapter of improvements last week Mr. A. Wright should have been credited as carpenter in the addition to Mr. P. McCullough's residence and Mr. Thos. Mann for that of Mr. Treford's furniture waterworks. In making one correction the typo changed the name in the wrong paragraph, thus causing two errors in his effort to correct one.

Garden Party.
 The garden party held on Thursday evening last on the beautiful premises of Mr. Andrew Beatty, on the Toronto side, half way between Markdale and Flesherton, under the auspices of the Ladies Aid of the Methodist church, was well attended and altogether successful. There was a representative gathering from both towns and the country, and the weather being delightfully cool, all enjoyed a good time. The refreshments were of the best and the musical part was ably sustained by the Citizens' Band. An accommodation train, made up of Artley's traction engine and five vehicles, was in charge of Conductor Artley, engineer Wm. Bartley and fireman Chas. Wyce, and which left at 7 o'clock, was a popular line, and the luxurious observation cars were well filled, 74 tickets having been sold on the train. The crowd was a jolly one, and although somewhat looked for a little more special, they were somewhat reconciled when it was seen that some of the fast roadsters were unable to pass. Mr. Wilfred Halbert acted as travelling conductor. Proceeds of Garden Party thirty-six dollars. The ladies wish to heartily thank Mr. and Mrs. Beatty for their generosity and hospitality of themselves and talented family.

Orange Concert.
 The Orange concert held in Marsh's hall on Wednesday evening last was not as largely attended as the quality of the program deserved. Dr. Spruel M. Garden Party.
 The annual garden party of the Presbyterian church was held on the beautiful lawn of Squire Jas Struthers, 11th line, Euphrasia, two miles from Markdale, on Tuesday evening and was a most enjoyable affair. The evening was delightfully cool and the people from Markdale and surrounding country turned out in large numbers. The Markdale Citizens Band had control of the musical part of the program and acquitted themselves most creditably. The ladies provided an excellent repast which was heartily enjoyed by all. Games were indulged in by the younger portion of the gathering and altogether a splendid time was spent. The refreshment booth, presided over by Mr. Samuel Whaley and Miss Linda Struthers, was well patronized, and the ice cream, strawberries and other delicacies found a ready sale. This was one of the most successful garden parties held this season. The Ladies Aid of Cooke's Church will look back with lively satisfaction and gratitude to the kindness of Mr. and Mrs. Struthers and family as well as to the kindness of the many friends belonging to other churches, who by their presence and help made the evening so enjoyable.  Grey County's **BIGGEST** and **CHEAPEST** Store.

Still Growing

It may please you to know that the June sales gained greatly in dollars, but many of you don't tell, but you can get some notion of how the business is growing by this statement—The June sales for 1901 were several hundred dollars larger than any preceding June.

The business increase for May and June has been well deserved. We've worked hard for it.

Years of conscientious work has made this store a synonym for good quality no matter what the purchase. We're trying to conduct the business along the plainest as near as possible and have hammered away at the one idea—

The Biggest Dollars worth of Goods for 100 cents.

We're working to create ground for confidence, trying to make ourselves and our methods known, instead of being willing to escape responsibility with observation. Success marks the satisfaction we aimed for and nerves ambition to still greater achievements.
