Counterfeit one dollar bills are said to be plentiful. If the Government would recall the truly filthy lucre of this denomination, that it keeps outstanding and issue clean notes in its place, the public would know what a genuine new one-dollar bill looks like and would stand in less danger of being swindled by the spurious article.

Friday next, August 16, is Markdale's civic holiday, when the C. P. R. will issue single fare return tickets to all stations in Ontario, Toronto and west, and Detroit, Mich., also Suspension Bridge, N. Y., good going on all p.m. trains Thursday the 15th, and regular trains the 16th, and good to return on all trains up to and on the 17th.

Albert Drinkwater, of Goderich, 21 years of age, a deck hand on the steamer Hiram R. Dixon, of the W. S. and Transit Company, was drowned in the harbor at Owen Sound at 11 o'clock Sunday morning last. Drinkwater, who was scrubbing down the side of the vessel at the time of the accident, was standing on a plank which ran out from the dock to the guard rail. The end of the plank slipped off the rail and the young man was precipitated into the water. He rose only once and then sank. The body was not recovered for half an hour when life was extinct. Coroner Cameron decided that an inquest was not necessary.

**The Meaning of "Lady."**

The much abused word "lady" is modified direct from the early Anglo-Saxon, and means "loaf-giver" for the highest ideal of woman in those days was to be a good manager of her household in every particular; bread was then the real staff of life. The Delineator for September devotes its illustrated cookery article to the subject of bread in its various forms and every "Lady" should study the article.
