Train the Children.

Parents are often blameable for not
responsibilities on their child-
while they are growing up. They
act all the business of the home,
and the office themselves, their
children are treated as numbskulls,
they should be treated as busi-
ness and women engaging in the
transactions that are necessary
conducting of every home and
business whatever its nature. God-
facilities should be set to work
so that they may develop. By
only can we learn to do well,
and facilities become weak and
lose their power. Place each
and responsibility as you know
assigned, put the youth often
test. Did you ever watch boys
tugging contest, how hard they
to surpass their competitors?

FLESHERTON HAPPENINGS

(By our own Correspondent)

On Friday afternoon last there was a
good turnout of our citizens at the
public school when Principal Slaughter,
who that day severed his connection
with the same, was given a hearty
send-off not only by the sneakers here-
after mentioned but by his scholars
who had, all on the quiet, prepared a
pleasing surprise for him. Trustee
Bellamy was called to the chair and
conducted the proceedings in a pleas-
ing manner. A lengthy program of
readings, recitations and songs was
given by the scholars, and addresses in
which many compliments were paid
Mr. Slaughter were given by Mr.
George Mitchell, trustee, M. K. Rich-
ardson, M.P., W. S. Christie, M.D.,
Editor Thurston, Principal Rowe, of
Markdale, W. D. Mills, ex-Principal
of Durham, and Mr. Fawcett, the new
Principal, who nine years ago was a
pupil of Mr. Slaughter's. Mr. Mitchell
and Mr. Richardson in appropriate
terms presented certificates to the
successful pupils in the Entrance and
Junior Leaving classes respectively.
The event of greatest interest to the
scholars was that of presenting to their
esteemed tutor as a token of their good
will a beautiful writing desk with out-
fit complete, accompanied by an ap-
propriate address read by Miss Jennie
Wilson. Mr. Slaughter was visibly
affected while thanking his pupils, and
warmly expressed his appreciation not
of their gift but of all the kind-
nesses shown him by the community
during his sojourn here. Mr. Slaughter
left on Monday for Listowell and will
be followed this week by Mrs. Slaughter
and the children.

Miss Grant, of Durham, has been
engaged for the intermediate form in
our Public School to take the place of
Miss Stafford, who unfortunately was
not successful at the recent examina-
tions for 2nd class certificate. Many
regrets are expressed for Miss Stafford
who had made a very favorable im-
pression in the school. She is report-
ed to have failed only on one subject
and will appeal.

Division Court was held here on
Thursday last. His Honor Judge
Morison presiding. The sitting
would have been short but for one case
in which voluminous evidence occupied
the attention of the court two hours
and a half. Suit was brought against
a pathmaster for \$60.00 damages for
cutting down shade trees on the road-
side opposite plaintiff's farm. Judge-
ment was reserved which on being
handed out we shall give for the benefit
of pathmasters and others who may be
ignorant of the law on this point.

Mr. Joseph Smith has disposed of
his neat property on Collingwood
street to Mr. Joseph Cornfield of this
place. Mr. Smith is, we understand,
going to Chicago to reside.

The trustees are having the exterior
work of the Public School building
repainted.

Mr. Harry Down and family who
recently came from Cleveland have
settled in Mr. Clark's house, vacated
last week by Mr. Clayton.

Mrs. Stocks, who has for some time
occupied the Baptist parsonage, has
moved across the street to join Mrs.
Boyd Thompson in her dwelling.

The Police Trustees here have about
completed their sidewalk improvements
for the season and have made a very
creditable showing for the expenditure.

Mrs. Irwin, sr., east of the village,
has been suffering for some days from
a severe fall on the floor of their own
house. Mrs. Irwin slipped on an apple
peeling and having her grandchild in
her arms fell backwards with great
force.

Rev. Irwin Wilson had the misfor-
tune to break one of the axles of his
buggy while driving home from his
Meaford Road appointment on Sunday
afternoon. Though driving at a good
pace when the accident happened no
other damage was done and a borrowed
buggy carried him safely home.

Labour Day was not observed as a
holiday here and business moved on in
the usual way.

Rev. John Stafford, B.A., who is
holidaying here occupied the Baptist
pulpit on Sabbath morning last.

Mr. T. A. Rödger, Secretary of the
Y.M.C.A., Hamilton, preached in the
Presbyterian Church on Sunday after-
noon, and his impressive sermon was
greatly enjoyed by that congregation.

Rev. Mr. Wilson selected for text
Ps. 8:3-6 and drew lessons from his
visit to the Pan-American to an inter-
ested congregation in the Methodist
Church Sunday evening.

Mrs. Keeler, who has been for some
time with her daughters at Bloomfield,
N.J., is visiting her brother, Mr. R.
Trimble, and other old friends here.

Rev. R. Keeler, of Washington, Ont.,
is visiting here this week and looking
after the erection of a monument which
is being placed at the grave of his
father by Gullett Bros., of Toronto.

Mr. W. L. Engelhardt, Inspector for
the Boys' Home, Stratford, was in
town over Saturday and Sunday, a
guest at the matinee.

Mr. S. Malcolm, of the Stratford
High School staff, was the guest of Mr.
and Mrs. Carr Thursday and Friday
last.

Mr. Lorenzo Norris, of Woodstock,
visited his mother, Mrs. W. White.

Mr. and Mrs. Limin, of Durham,
visited Saturday and Sunday at Mr. M.
Wilson's and were accompanied home
by their daughter, Flossie, and Miss
Susie McClocklin, who visited the past
three weeks with their aunt, Mrs.
Wilson.

Miss Annie Howard is taking a well-
earned holiday with friends in Toronto.

Miss Stanton left last week to visit
her uncle, Dr. Leitch, in Toronto.

Miss Stella Loucks is attending the
millinery openings in the City.

Mrs. Wm. Strain visited last week
with her brother at Lauriston.

Mr. and Mrs. Geo. Mitchell left on
Monday for Toronto and the Pan-
American.

Mrs. J. W. Henderson returned to
the City on Saturday.

Mr. R. N. Henderson and Dr. Mar-
ray are taking in the Toronto Industrial
this week.

Misses Maud and Rita Irwin, of
Durham, spent Saturday and Sunday
with young friends here.

Miss Emma Sheppard has returned
from visiting friends at Mount Forest.

Mrs. Joy, sr., left last week to visit
her son at Toronto Junction.

Messrs. Jns. and Wilson McMullen,
west bank line, and Miss Millie Cook,
Ceylon, are at London visiting the
former's brother who is not expected to
live many days.

R. W. E. Norton, who was recently
called from the Owen Sound Baptist
Church pastorate to the office of Supt.
of Baptist Home Missions, visited over
Monday with pastor G. C. Lamont and
other friends here.

Mr. Fred Strain left on Monday to
resume his college studies at Ann
Arbor, Mich.

Mr. Frank Barnhouse returns on
Wednesday to Toronto after an enjoy-
able six weeks' holidays at the paren-
tal home.

Mr. and Mrs. George Holman, of
Grand Rapids, Mich., are on their
wedding tour and spending this week
with the former's mother here.

Miss Carrie Sullivan is holidaying
for two weeks with her sister in To-
ronto.

Mr. and Mrs. W. J. Douglas, of Col-
lingwood, paid the former's parents a
short visit here last week.

Mr. F. A. Baker returned to town
last week and will remain in business
here.

To See the Duke.

Two lads, named Walter and Robert
Adeock, aged nine and eleven respect-
ively, walked from Invercargill to
Dunedin, without money, to see the
Duke and Duchess of York. They fed
on turnips, and slept in ditches, trucks
and haystacks, and crept through the
tunnels on the way. They arrived on
Saturday in a sore plight. The police
found them in a railway truck, and fed
and made them comfortable, and raised
a subscription to re-clothe them.

Several people were anxious to take
charge of the lads, and Mr. Robert
Mackenzie, of the Excelsior Hotel, ob-
tained permission to make them his
guests for the next week or two. In
the meantime their parents at Inver-
cargill have been communicated with.

The Chairman of the Children's
Demonstration Committee will take
charge of the lads. Many people
were very anxious to subscribe for
their keep, but they will be well pro-
vided for and kept in Dunedin through-
out the festivities, and then sent to their
parents.

The Mayor and Mayoress called at
the hospital to see the Invercargill
lads. Their feet are swollen, otherwise
they are doing well. Surprise has
been expressed that two children could
walk 180 miles in three days, practical-
ly without food. Every attention is
being paid them, and they are being
made the guests of the city, and will
be provided with seats to view the
Royal procession.—Australian Paper,
June 18.

A Night of Terror.

"Awful anxiety was felt for the
widow of the brave General Burnham,
of Machias, Me., when the doctors said
she would die from pneumonia before
morning," writes Mrs. S. H. Lincoln,
who attended her that fearful night,
but she beseeched for Dr. King's New
Discovery, which had more than once
saved her life, and cured her of Con-
sumption. After taking it she slept all
night. Further use entirely cured
her. This marvellous medicine is
guaranteed to cure all Throat, Chest
and Lung diseases. Only 50c and
\$1.00. Trial bottles free at B. L.
Stephens' drug store.

The cause of Nervous Headache

This most distressing and common
malady doubtless has its origin in
some unbalanced condition of the
nervous system. Probably the simplest,
safest and most efficient remedy is
Folsom's Nervine. Twenty drops in
sweetened water gives immediate re-
lief, and this treatment should be
supplemented by bathing the region
of pain with Nervine. To say it acts
quickly fails to express the result.
Sold everywhere in large and small bottles.

McFARLAND, STAFFORD & CO.

August 23rd.

Dear Arthur, 'tis thy natal day,
When like a sunbeam on our way
Thou comest, brighten the shadows, say,
And summer suns were shining
And for a while the brightness beamed
Before us, and around us gleamed
A Fairyland, and fancy dreamed
With young hope intermingling.

How promptly expectation caught
The thrill of life's supremest thought,
And from the mountain summit brought
The winds which bear the morning
And all the "sunny shock with light,
As mirthful slope and rugged height
Were bathed in splendour pure and bright,
Enriched with love's adorning.

But, ah! too soon the flush was gone,
And where our eager feet went on,
The light of life grew pale and wan,
Like twilight o'er the meadows,
And then we knew the pathway led
Where never this world's light washed,
And then, dear child, alone must tread
The valley of the shadows!

But never comes thy natal day
With out remembrance of the ray
Of glorious sunshine passed away;
Like flash of summer lightning;
And far beyond the western sea,
Where we shall journey by and by,
The everlasting landscapes lie
Still nearer seen and bright'ning glow.

Yes, nearer seen in bright'ning glow,
When thou art here, as we go,
In quest of what we lost below,
When mist were round us clinging;
And soon our eyes shall gaze on thee,
Where thou art here, as we go,
Th' immortal company
The triumph-song are singing!

What Catarrh is and is not

Catarrh is not a wash. You
cannot force liquids into the lungs. It
is not an ointment to be snuffed up
the nostrils and still further irritated
the already congested and irritated
membrane. It is simply balsamic and
healing substances breathed into the
lungs and throat. Cures of course,
That is nature's way of curing, and
nature's way is the only true way. If
you suffer from disease of the throat,
lungs, nasal passages, do not neglect
to test Catarrh. Two sizes at all
druggists, 25c. and \$1.00. Guaranteed
to cure Catarrh, Asthma, Bronchitis
and Hay Fever, or your money back.
