TRACKING A TIGER.

An Exiting Adventure in Search of a Man-Eater.

A whiter in the Indian Sporting Times gives some details of the depredictions of a tiger in various vilage during the famine year. In the ou whole year the monster continred his depredations almost without moldstation. Over forty people had reer slain, and the village herds suf-cred severely. The local forest anner was in a state of terror, and had written to his superior in terms much as follows, showing the difficult situation in which he compiled nis eports:—

"I whitery 1st-Up a tree, where I adhre with much pain and discom-posite while big tiger roaring in a very awful manner on the fire line. This is wo times he spoiled my world spming and shouting like thunder and putting me up a tree, and making me behave like an insect. I am not able to climb with agility owing to stomach being a little big, owing to bad water of this jungle. Jurgle mans can fly up tree quickly. Even when I do not see this tiger,

the dense thickets of the

"SHIKAR WITH BELLS." Then I bethought me of a mode of hurling of which a sportsman of 60 years of age hall told me. This was the "shikar with bells." A native, ad rned daly with a coating of wood asies, with a tray containing burn. down, to humble us, to bring us to chine of bells in his hand, precedes ing oil-wicks upon his heady and a the hunger in search of game on a dask night.
