FLESHERTON HAPPENINGS

(By our own Correspondent.)

On Wednesday afternoon of last week, the home of Mr. and Mrs. Robt. Best, Toronto Line, was the scene of a very pleasant and happy event when their eldest daughter, Rachel Jane, was united in wedlock to Mr. Elisha C. Simmons, of Proton Station, formerly of this place. Rev. Ivison Wilson, B. D., of this place, gracefully and securely tied the nuptial knot. The bride, who was becomingly gowned in cream and wore the conventional veil with orange blossoms, was attended by Miss Mary Simmons, sister of the groom, while Mr. Edwin Best, the bride's brother, acted as best man. At the conclusion of the ceremony and showers of congratulations upon the happy couple, the guests, of whom there were upwards of one hundred, sat down to a sumptuous wedding repast, after which merriment peculiar to such an occasion was indulged in until a late hour. The bride was the recipient of a large number of beautiful and valuable presents. Mr. and Mrs. Simmons have the best wishes of a large circle of friends for prosperity and bliss in their new home at Proton Station.

There are in or about this place some thieving characters who if discovered, and they may yet be, will be taught a wholesome lesson. A few weeks ago your scribe's garden was entered and his pear trees stripped of their fruit; on Wednesday night of last week Mr. Wm. Clayton's potato patch was visited and about four bags of fine tubers were taken.

We notice that at a well attended and enthusiastic meeting of former residents of Grey County who now reside in Toronto the Grey County Old Boys' Association was formed. The meeting was held in the Temple Building on Friday evening of last week presided over by Dr. R. H. Henderson, formerly of Artemesia township, who was voted to the chair and subsequently elected President of the Association. Mr. C. W. Chadwick, also an Artemesia boy, was elected secretary-treasurer. The choice of officers was a happy one and we are confident that under their management and enthusiasm the Association will enjoy the large measure of success we wish it.

Mr. John Brown, east back line, is retiring from farming and his son John J., whom we noted last week had returned on a visit from Montana, will remain and succeed his father on the homestead. Mr. Brown is one of Artemesia's earliest settlers and a highly esteemed citizen. His indefatigable toil has been rewarded by a competency for his and Mrs. Brown's declining years.

Mr. James Stinson, Toronto Line, has been in poor health for some months and is leaving the farm to reside in this place.

Mr. R. T. Whitten has through Mr. Sproule rented his dwelling on Toronto street to Mr. Chris Patterson, implement agent, Cedarville, who is opening in his line here.

Rev. Ivison Wilson conducted anniversary services at Massie, Holland Centre circuit, on Sabbath last, and the pastor of that charge, Rev. W. H. Learoyd, supplied here, preaching interesting sermons from Judges 14:8; Exodus 12-23.

The Presbyterian Christian Endeavor held a special meeting on Monday evening last for the reception of new members when three elders of the church and ten other new members were enrolled, making the membership now thirty-six.

We join in general congratulations to Mr. and Mrs. W. A. Armstrong upon the addition to their family circle of a young son and heir who arrived on Monday morning last and will doubtless soon be given a place behind the jewelry counter.

Mr. John Chard, sr., 4th line, returned last week from Markham, where he had been for four weeks under treatment for cancer by the plaister process.

Miss Emma Heighes, of Hespeler, is visiting her sister, Mrs. W. Smyth.

Mr. and Mrs. Joseph Clinton returned last week from an extended visit with the former's relatives at Maymouth, Hastings Co.

Miss Minnie Richardson, of Rochester, is visiting her parents, Mr. and Mrs. Henry Richardson.

Miss Carrie McLean, Dundalk, visited last week with the Misses Gibson and Mrs. I. Sinclair.

Mr. A. Munshaw and Miss Mabel are at the Pan-American this week.

We missed in our personals last week Mrs. M. Wilson, Mrs. A. Wilson and Mrs. F. Bunt as being to Toronto to see the royal visitors.

Mr. E. Vanzant, of Oakville, is visiting his brother-in-law, J. P. Ottewell, V.S., this week.

Mr. and Mrs. W. J. Henderson, Mt. Zion, spent Sunday with their son-in-law, Dr. E. C. Murray.

Mr. R. McGirr, of Meaford, accompanied by his mother from Feversham visited Friday and Saturday last with his brother-in-law, Mr. Geo. Mitchell.

Mr. Richard Smith and daughter Bert leave this week to reside in Toronto.

We were pleased to stand corrected last week by the Vandeleur cor. re the Summers boy, whom we trust will soon be over the effects of his mishap.

The Noxon Company.

We are pleased to be in a position to announce that The Noxon Co., Ltd., Ingersoll, have completed arrangements whereby they will be enabled to materially increase the manufacture of their well known and popular line of agricultural implements.

Their blacksmith shop, which was recently destroyed by fire, has been entirely rebuilt and enlarged, and is now complete with modern and up-to-date machinery in every detail.

The present management have purchased more than four-fifths of the entire subscribed capital, and with increased facilities of manufacture and added financial strength, the permanent success of this firm is established beyond a doubt.

They report the prospects exceedingly bright for business next year, a large number of orders having been already booked in advance for their harvesting machinery.

We feel sure that our readers will be pleased to hear of the renewed prosperity of one of Canada's most important industries.
