## Look well after your Horses' Feet.

If you have a horse that is worth shoeing have him shod well. Remember we do not burn the foot to fit the shoe. Every foot dressed properly and shoe fitted cold. Call and see the most complete assortment of horse shoes, bare iron steel bolts, clips, whiffletree irons, neckyoke irons, sleigh dogs, clevises—in fact, everything the people need on shortest notice. I will have a fair price and warrant sound horses without interfering or over-reaching.

(Crowded out last week.)

Xmas passed off quietly in our burg. Quite a number took in the Christmas Tree at Dornoch last Monday and report a good time.

The school concert at the lake school on the 20th was a grand success. Much credit is due Miss Eftis, the teacher, for the way she had the pupils trained. Your humble scribe, not being able to attend, missed a rare treat, and so will expect to read to give all particulars of the entertainment. About 5 p.m. Mr. T. Edwards was called to the chair and by his able and jovial manner led the programme through to the delight of all. He spoke very highly of the conduct of the young people and more especially of the beautiful drawing on the black board, painted by Miss Fattis which was admired by all who saw it. Proceeds \$21.40.

The annual meeting of the ratepayers of S. S. No. 4, was held on Thursday, the 26th, but was not as well attended as it should have been. The Treasurer's book gave a balance on hand of \$96. About \$150 will be expended in the school and well next year, which has been a long felt want. Hope there will be no kick.

Frank H. Boyle, of Parson, Man., arrived home to spend the winter with relatives and friends. Frank thinks there is no place like Manitoba. About four years ago he bought a half section of prairie land at \$3 an acre, to-day could get \$12 for it. This year he threshed 2,800 bushels of wheat and a quantity of oats. Who says that farming doesn't pay in the west? Surely he won't return alone.

Reeve McFadden visited our burg this week. He expects opposition again, but by the way ratepayers talk he will head the poll again.

Traverston  
The election excitement is over, the old council being re-elected with one exception, Mr. J. A. McMillan taking the place of Mr. Neil McCannell who resigned. However, Mr. P. Sullivan put up a wonderful fight for a new man and gave the old chaps a hard chase. He will be heard from again.

Miss Laura Reed, of Markdale, and Mrs. W. J. Edwards, of the 6th, drove over to Paisley on Monday and will spend a few days visiting relatives.

Quite a number from here drove over to the big church opening soiree at Dornoch on Monday eve.

Bright and early Mr. W. J. Ritchie, our new teacher in No. 5, swung open the doors on Monday morning, and has made a favorable impression on the pupils already.

Mr. and Mrs. John Cook moved up to their new home in the suburbs of Berkeley last week and are very comfortably domiciled. We wish the progressive young couple every success.

The consecration service held in Zion Church on Sunday evening was the best attended and most successful in the history of the League.

Perhaps the most startling announcement of modern times is the statement that the serial rights of "The Man from Glengarry" have been sold to the publishers of the Family Herald and Weekly Star, Montreal, and that it will be immediately commenced in serial form in that wonderful paper.
