THE SPRING FEELING.

VARIABLE SPRING WEATHER DISASTROUS TO WEAK.

Even Usually Robust People Feel

The spring months are a trying time to most people. At no other

time of the year do health and

strength som so hard to gain and

to hold. You do not feel that you

tre really sick, but you feel about

as bad as you could it you were ser-

ionsly iii. That feeling ought to be

got vid of and it can be. What you need is a tonic to enrich the blood

and free it from the impurities which

have folged in your system during the winter, and which are responsi-

ble for your present condition. Dr. Williams' link Pills is the only re-

liable never-failing tonic medicine.
These pills make new, rich blood,
streigther the nerves and bring
health and vitality to every organ in

the body. They are an ideal spring

medicine and the best thing in the

world for all diseases having their origin in impoverished or impure blood. The case of Miss Belle Co-

hoon. White Rock Malls, N. S., is a

strong corroboration of these state-

ments. She says: 'Three years ago

this spring I was very much run

Mutual Life of Canada.

Head Office, - Waterloo, Ontario. (Formerly The Ontario Mutual Life.) 32ND ANNUAL MEETING.

The Company Solid and Progressive.— Another Year of Substantial Gains.

The Thirty second Annual Meeting of this popular and prosperous life company took place at its Head Office, Waterloo, Ont., on Taursday, March 6th, 1902, at 1 p.m. The Company's spacious Board room was well filled with policyholders who eviuced deep interest in the proceedings which were throughout both harmonious and in-

is a great noble, and the people like structive.
The President having taken the chair, on motion, Mr. W. H. Riddell, Secreaim all the better for being apart from them in the pomp and circumtary of the Company, acted as Secretary of the meeting, and at the request of the DIRECTORS' REPORT.

> Your Directors submit for your consideration and approval their report, with financial statement for the year ended Dec. 31st, 1901.

New Business

They are pleased to inform you that the business of the year in all respects has been of the most satisfactory character, enabling them to make the same liberal distribution, of surplus to policyholders as in the past. The volume and character of new business were all that could be desired; the death rate was much below the expectation, and the lapses and surrenders, in proportion to business in force, very underate. Amount of applications for new assurance received was \$4.403,000; accepted and policies issued \$4.01,669, all of which with the exception of \$36,500 was secured in Canada.

The Board of Directors have not seen any reason, why Ganada First

The Board of Directors have not seen any reason, why they should depart from the rule hitherto followed of confining their operations to our own country and Newfoundland.

Insurance in Force

The number of policies in force was 21,785, assuring \$31,718,031, the reserve on which, based on our own standard, Actuaries 4 per cent., on all business previous to 1900, and Hm. 3½ per cent. on all business taken since then, is \$5,801,100.41.

Assets and Income The cash assets are \$5,439,541.65, and the total assets over all liabilities, is \$695,470.00; on the Company's standard \$379,970.53. The net premium income was \$398,619.06; interest and rent \$235,817.03; annuity premiums \$23,250; total income \$1,277,686.08.

Run Down and Out of Sorts at This Tire—Dr. Williams' Pink Fills Are the Very Rest Spring Paid to Policyholders

The amount paid to policyholders was \$493,532.45, of which sum \$305,021,95 was paid to living policyholders.

The Death Claims paid were \$188,510.50; Matured Endowments \$163,480; Purchased "Well, he's an awful little bore." Policies \$52,523 37: Surplus \$32,255.51: Annuities \$6,763.07.

During the year the demand for money has been active and the funds of the Company have been fully employed Investments and the funds of the Company have been fully employed.

The rate of interest has been good, and payments on both instalments and interest have been promptly met, the interest overdue being much less than in any former year.

The manager, officers and staff continue to discharge their duties to the entire satisfaction of the Board, and in the best interests of the company.

The Executive Committee have carefully examined all the Securities, and compared them with the entries in the ledger, and found them to correspond therewith. You will be called upon to elect four Directors in place of Rt. Hon. Sir Wilfrid Laurier, Alfred Hoskin, K. C., E. P. Clement, and Hon. J. T. Garrow, whose term has expired, all of whom are eligible for re-election.
