Mrs. Dr. Sproule, of Markdale, and sister, Mrs. Ainsley, of St. Catharines. spent a day last week with old friends

Mrs. Ruustadtler has returned from an extended visit with friends at Hamilton.

Mr. and Mrs. S. Blackburn, of Creemore, visited last week with the former's brother, Joseph, here, and other relatives in this vicinity.

Dr. Sproule, M. P., of Markdale, was in town Good Friday.

Rev. Alex. Irwin, of Port Colborne, paid Rev. J. S. I. Wilson a short visit on Saturday last.

Our public school staff were on their Easter holidays. Principal J. E. Fawcett at his home at Forest, Miss Martin at her home at Preston, and Mrs. Brown in Toronto. Others who visited abroad were Mr. W. J. Bellamy and son Emerson, Mrs. John Bellamy, Mr. Alexander, Mr. E. T. Hamilton with friends in Toronto; Mr. Art Wardrobe at Collingwood; Dr. and Mrs. Murray and Miss Murray at Mt. Zion; Bert Barnhouse and Elsie at

Dobbinton. Among the Easter visitors here were Rev. J. C. Wilson and Miss Wilson, of Brighton, at the Methodist personage; Dr. T. Henderson, of Toronto, at Mr. Jos. Blackburn's; Mr. R. Downie, of Hamilton, at the home of Mrs. R. B. Joy; Mr. Mitt Tipp, of Collingwood, at Mr. A. Munshaw's; Mr. J. F. Van Dusen, Dundalk, at the parental home.

(This Week.)

From the report of an excellent speech in the House of Commons a few days ago, we learn that Mr. M. K. Richardson, of this place, member for ment severely for throwing away a valuable asset of the country, which should have been held as a trade hostage for exchange with the United States. The duty on imports of American corn should, said Mr. Richard ardson, have been held as a hostage of the Rules and Regulations of the Bureau can be had on application. South Grey, criticised the Govern-

reply. But every one of them uses peas, oats, barley and other coarse grain and the prices of all these are lowered by the admission of free corn. We ought to have had something in return for that concession, but the advantage we have enjoyed, this Government recklessly threw away. Continuing, Mr. Richardson said there is no Friday evening last when the paster's Friday evening last when the paster's latter, Rev. J. C. Wilson, of Brighton, Chairman of Bay of Quinte Conference, delivered an impressive address. A goodly number where led to dress. A goodly number where led to the Saviour and will now be looked the Saviour and will now be looked the progress of the respective.

Ing. Mr. Richardson said there is no class of our citizens doing more for the advancement and progress of our cuttorists. By their enterprise, industry and intelligent application of labour, our farmers are doing more for the advancement and progress of our citizens doing more for the advancement and progress of our citizens doing more for the advancement and progress of our citizens doing more for the advancement and progress of our citizens doing more for the advancement and progress of our citizens doing more for the advancement and progress of our citizens doing more for the advancement and progress of our country than our agriculturists. By their enterprise, industry and intelligent application of labour, our farmers are doing more for the advancement and progress of our country than our agriculturists. By their enterprise, industry and intelligent application of labour, our farmers are doing more for the advancement and progress of our country than our agriculturists. By their enterprise, industry and intelligent application of labour, our farmers are doing more for the advancement and progress of our country than our agriculturists. after by the pastors of the respective any other class of our people. Witness after by the pastons where they may wish to their splendid triumphs in the world's compregations where they may wish to competition exhibitions in Paris, and in Glasgow, and the Pan-American at Buffalo. Their exhibits of dairy pro-Sabbath were in keeping with the ducts, of cattle, of horses, of grains, and fruits, have given and are giving Canada a world-wide fame. Everywhere they are plucking victory from where they are plucking victory from defeat, often in conditions where napreached excellent sermons morning ture in her sterner moods presents an unfavorable aspect. I claim there is no more important task to which the government can address themselves than the opening of markets for our farmers and facilitating transport to those markets. The prosperity of our farming class must necessarily be at the base of our national prosperity.

As representing an agricultural con-As representing an agricultural constituency, it does not follow, said Mr. Richardson, that I have no interest in the men engaged in our fisheries, in our mines, our forests, our factories, or

two, and that is for the temperance

had no right to put the question to the liquor men. The temperance people asked for the legislation and the pleb. iscite is intended to ascertain if the various temperance organizations represent others than those identified with them. No Government would attempt such a far-reaching reform unless it was backed with the sympathy of the mass of the people, and this is a reform that, if attempted, must be carried out to the letter, or result very disastrously to the moral welfare of the people. There is more than enough day evening of last week when their professed temperance people to carry this plebiscite gloriously, and it is no time to be influenced by technicalities and theories. The proposed bill is undoubtedly a step in the right direction and as such it is worthy the endorsation of all who are opposed to
