## FLESHERTON HAPPENINGS

(By our own Correspondent.)

The nomination for Centre Grey held in the Town Hall here on Thursday last passed off very pleasantly and doubtless satisfactorily to a large majority of ratopayers in the riding.

Promptly at 11 o'clock Sheriff Moore, of Owen Sound, took charge of the proceedings and after the usual preliminaries called for nominations.

When Mr. I. B. Lucas, the former member was nominated by Dr. Christoo and Mr. Joseph Blackburn of this place. At 12 o'clock, no other name having been submitted, Mr. Lucas was declared the duly-elected representative of Centre Grey in the Legislative Assembly of this Province.

A public meeting was addressed in the afternoon by the member-elect and Mr. J. M. Davis, Independent candidate, whose apology for not being still in the contest was ignorance of the hour in which nominations took place.

Mr. Lucas in the course of a pleasing address thanked his constituents—Conservatives, Liberals and Independents alike, for the trust again reposed in him and assured them that it would be his constant aim to further their interests during the next parliamentary term.

Mr. Samuel McKnight, of Euphrasia, discharged the duties of chairman and Mr. Lucas' Italian Orchestra at intervals rendered pleasing music.

During the severe thunder storm on Thursday evening last one of the chimneys on Dr. Carter's house was struck by lightning and considerably damaged as well as some slight damage to other parts of the house.

The current passed from the chimney down the furnace pipes, some of which were torn open, threw open the furnace door and evidently spent itself in the cellar.

Mrs. Carter received a severe shock and several others in the village felt that they had had a close call. A barn belonging to Mr. Geo. Ludlow, Toronto Line, was struck and burned, and a neighbor, Mr. John Warner, lost a valuable horse.

Mr. John Bramiff, 12th con. Artemesia, we understand also lost a horse and one of his children was severely injured.

## Bronchitis

"I have kept Ayer's Cherry Pectoral in my house for a great many years. It is the best medicine in the world for coughs and colds." J. C. Williams, Antica, N. Y.

All serious lung troubles begin with a tickling in the throat. You can stop this at first in a single night with Ayer's Cherry Pectoral. Use it also for bronchitis, consumption, hard colds, and for coughs of all kinds.

Three sizes: 25c, enough for an ordinary cold; 50c, just right for bronchitis, hoarseness, hard colds, etc.; 1.00, most economical for chronic cases and to keep on hand. J. C. AYER & CO., Lowell, Mass.

Priceville A joint meeting was held in our town on Saturday night the 17th inst. Mr. Lucas, Mr. Davis and Dr. Jamison were on the scene of action, each one advocating his rights to the honor of being elected on the 29th inst.

Quite a time was spent by each speaker in contradicting each other, and the sum and substance of the meeting, we believe, did not amount to much. However, they got through without violating the Sabbath.

Not old, shop-worn goods, but new stock that have hardly been in stock long enough to feel perfectly at home. This lot of specials that we will place on our bargain counter Thursday morning would take too much space to explain how we were so fortunate in securing these bright and new goods at prices quoted below. That don't interest you—its the low prices. They are striking examples of the unequalled buying facilities this store commands.

Four important points we pay particular attention to when buying clothing which prevents the purchaser of any fault-finding after he has given them a fair trial: FIRST—The cloth must not contain any shoddy; SECOND—The linings must be durable; THIRD—The style must be up-to-date; FOURTH—The fit must be perfect.
