## They Were Easy.

A fast and exciting game of lacrosse was played on the exhibition grounds here on Thursday evening of last week between the junior Thistles of Dundalk and the junior Aberdeens of this place, resulting in a victory for the home boys by nine goals to none. At 6.30 p. m. referee McArthur, of Dundalk, blew his whistle and the teams lined up, and judging from size two more evenly matched teams couldn't have been gotten together. In the face off the Aberdeens secured the ball and in fifteen seconds located the nets. This seemed to greatly encourage them and they kept on playing splendid lacrosse until time was called when they had 9 goals to their credit, and at the same time preventing the visitors from having a single shot. Although the Dundalk boys put up a plucky fight they were outclassed at every turn, the home team being much faster and played better combination. Onr boys surprised everybody on their excellent showing. Their combination was perfect and their shooting good. The best of feeling prevailed throughout the game, although the referee had occasion to give a couple of players a short rest. The visitors went home besten but not discouraged. The following were the Markdale players: goal, W. Littlejohns; point, Dassie Mercer; cover point, Bert Askin; 1st defence, Ed. Reed; 8rd defence, Bert Trelford; centre, Willie Hill; ard home, Joe Kelly; 2nd home, Allie Littlejohns; 1st home, Pat Kelly; outside home, Chester Haskett; inside home, Wilfred Burnside, The return match will be played on Friday of this
