FLESHERTON HAPPENINGS

Two violent thunderstorms, the worst experienced this season, passed over this place Wednesday evening and early Thursday morning last week.

A picnicking party of about two dozen of our young people spent Wednesday of last week pleasantly at Bell's lake, and were contemplating their homeward journey when the storm of that evening came on which kept them there until about 11 p. m.

The journeymen tailors of Collingwood have organized a branch of the I.T.W. of A. with Mr. Fred Tucker, formerly of this place, as President.

It always affords us pleasure to learn of the success abroad of any who were once citizens of this place.

Last Saturday being the anniversary of the birthday of Miss Mary Thompson, she entertained about twenty of her friends at a picnic held at Sullivan's grove, near the Irish Lake.

Mr. Deagle's men have the electric wire poles erected from Engenia to the suburbs of this place and doubtless will have them up in the village this week.

Quarterly Sacramental service was held in the Methodist church on Sabbath morning last, when the pastor preached an appropriate sermon from the Saviour's words to His disciples, 'Ye are the light of the world.'

For variety and profit the senior League meeting in the Methodist church on Monday evening was given into the hands of the junior League, whose young members acquitted themselves admirably and made the service very interesting throughout.

Mr. De Hamilton's household effects were shipped to Toronto on Saturday and Mrs. Hamilton and daughter, Miss Minnie, left on Tuesday to join Mr. H. in their new home there.

As we write a sweet little girl of nearly five years playing across the street reminds us that at that home, Miss Bellamy's, there are three representatives of four generations—Mrs. Bellamy, sr., Mrs. J. W. Henderson, Mrs. J. E. Hamford and little Miss Muriel, with an older sister, Blossom, enjoying a pleasant summer holiday together.

Mr. W. J. Bellamy was in Owen Sound on Wednesday of last week and witnessed the consternation caused by the shocking accident and sudden death of Dr. Horsey.

Mr. Burk Emsdale and Miss Osborn, teacher, Sprucedale, were visitors part of last week at the home of her brother-in-law, Mr. W. J. Bellamy.

Mr. M. K. Richardson, M. P., attended the funeral of the late Dr. Horsey, M. P., at Owen Sound on Friday last.

Mrs. (Dr.) Murray is visiting for a couple of weeks with her parents at Mt. Zion.

Mrs. W. Clayton accompanied her daughter-in-law and little grand-son to Collingwood and made a short visit with friends there.

Mrs. Geo. Mitchell spent last week with her parents, Mr. and Mrs. McGirr, at Feversham.

Mr. and Mrs. T. J. Sheppard visited friends at Mt. Forest on Sunday and Monday.

Mr. Thos. Clayton is holidaying for a couple of weeks at Toronto, Beaverton and other points.

Hair Splits

"I have used Ayer's Hair Vigor for thirty years. It is elegant for a hair dressing and for keeping the hair from splitting at the ends." J. A. Gruenfelder, Grantford, Ill.

Hair-splitting splits friendships. If the hair-splitting is done on your own head, it loses friends for you, for every hair of your head is a friend.

Ayer's Hair Vigor in advance will prevent the splitting. If the splitting has begun, it will stop it. \$1.00 a bottle. All druggists.
