FLESHERTON HAPPENINGS
(By our own Correspondent.)

The Masonic Lodge here held its annual meeting at a picnic held at Eugenia Falls on Friday afternoon last. The weather was most propitious and the members who, with their families and friends, participated in the outing found it an enjoyable one.

Dr. Murray is nearly repairing the exterior of his office and residence as well as the fence in front, all of which is greatly improving the appearance of his property. Internal improvements have also been made. The carpenters and plasterers are pushing the work forward on the Boyd brothers new residences, and the bricklayers on the addition to Dr. Carter's dwelling have the walls nearly completed.

Rev. John Stafford, B. D., of Worcester, Mass., who is visiting relatives in this place and vicinity, occupied the Methodist pulpit here on Sabbath last, in the morning from 2nd Cor. St. 13, and in the evening from 2nd Cor. St. 16. Mr. Stafford's sermons were superior productions. They were of an instructive and evangelical character and the speaker's unaffected manner and fluent delivery made them deeply interesting to highly appreciative congregations.

Mr. James Sullivan, of this place, is lying very ill at his home with several ribs broken and otherwise severely injured about the head and neck, the result of an upset on his way to Owen Sound on Friday evening last. Mr. Sullivan was going to Owen Sound and had taken advantage of a lively returning train to that town. Near Chatsworth a collision with another rig occurred when the lively driver, named Campbell, and Mr. Sullivan were thrown from their vehicle, the former, we understand, sustaining considerable injury, and the latter as already noted, Mr. Sullivan was taken to Chatsworth and his family telephoned to. His son Charley went up on Saturday morning and brought him home on the afternoon train.

Among those who took advantage of Toronto's Civic Holiday for an outing and went from Saturday till Monday evening with friends here were: Mr. J. E. Hansford, who joined Mrs. A. Hanson and the children; Mr. A. Wilkins, who was the guest of Mr. M. E. Richardson's family; Mr. J. A. Model, who was the guest of his brother-in-law, Mr. Geo. Mitchell; Messrs. Frank Barnhouse and Uri White visited the former's parents; Messrs. J. Dunnean and A. Dunnean and Miss Millie Crossley visited the latter's parents; Mrs. Pogg visited her father, Mr. Geo. Park and Miss Aggie Lever visited her sister, Mrs. T. A. Blakely.

Mrs. P. B. Lucas, of Markdale, spent Monday evening with the latter's mother, Mrs. M. K. Richardson. Rev. Mr. and Mrs. Wilson were absent from Saturday till Monday evening at Monticello, Dufferin County. Mr. Wilson conducted anniversary services there on Sabbath.

Mr. R. Thompson, who has been for some time with jeweller Armstrong, left last week to take a position in Hamilton.

There is no Advance paper here this week, the editor, W. H. Thurston, and Messrs. W. H. Bunt and Bert Barnhouse being on a cruise for a week up the Georgian Bay.

Mr. M. K. Benton has gone on a prospecting tour through the Temiskaming district.

Mr. M. K. Richardson, M. P., has been spending a few days with his friend, Mr. Tassie, at Listowell.

Misses Jennie and Annie Richardson are home from Toronto visiting their parents, Mr. and Mrs. Henry Richardson.

Mrs. N. Dismore, of Owen Sound, is visiting her parents, Mr. and Mrs. C. W. Bellamy.

Miss Maud Richardson arrived on Saturday for a visit with her parents, Mr. and Mrs. M. K. Richardson.

Miss Annie Joy is holidaying this week at Toronto Junction.

Mr. and Mrs. W. J. Bellamy and family are visiting Mrs. B.'s parents in Nottawasaga.

Miss Hemphill, of Atwood, visited last week with her cousin, Mrs. Bentham, sr., of the suburbs.
