

AN UNSOUGHT BALTH

Or The Mystery of a Brother's Legacy.

CHAPTER IX. Mr. Briggs ceased. A buzz of expectation went through the hall. People settled in their seats. Mr. Schwabe drew himself together in his fustian suit...

FOR FARMERS DAIRY COWS AND FEEDS.

How can the dairymen best manage their dairy at present prices of feed to secure the most profit, is a very important question. writes Mr. Geo. L. Gillingham. A problem much harder to solve, perhaps...

WHERE DOGS WORK. Usefulness of These Animals in Ohio Coal Mines.

Dogs of the New World are better than their cousins of the Eastern Hemisphere. In country roads the dog is often used as a beast of burden...

FRANCE AND THE SENUSSIS. Light on a New Sect That Spread in Africa.

France counts in her African possessions about 20,000,000 followers of Islam. Nothing that relates to Mohammedanism can therefore be of indifference to the French people.
