Thousands are in this dreadful condition, only half alive unable to stand, the strain of work and worry. There is no sense or reason in trying to be comfortable with the idea that it will pass off, and that you are going to be better soon. Unless the system is cleansed of the impurities that poison the blood, you will never be better.

The best remedy is Ferrozone. It achieves marvelous results in chronic wasting diseases, nervous prostration, faulty nutrition, heart disease and stomach troubles.

Ferrozone promotes healthy digestion which assists in all food being assimilated. Nutrition is vastly improved the blood grows rich and red and gives stability to the entire system. The store of nerve energy and force increases daily by the use of Ferrozone. The process of waste is arrested, and its place a rebuilding of the whole system takes place.

Diseased conditions cannot exist where Ferrozone is used. It attacks disease at its very foundation and by keeping the body well nourished and supplied with strong blood and a powerful nervous organization prevents and keeps away all manner of sickness. There is no blood builder, nerve tonic and strength producer that can equal Ferrozone, and few people are so well that could derive great benefit from its use. It is valuable to Nervous Dyspepsia, Anæmia, Weakness, Impaired Blood, Bronchitis, Neuralgia and Rheumatism. It is prepared in the form of a chocolate coated tablet and is both pleasant and convenient to use.

Ferrozone produces that high standard of health so much desired by everyone. It brings back the rosy tint to the pale cheeks of anaemic girls and women. It puts grace and elasticity into their movements, gives lustre and brightness to the eye, and symmetry and roundness to the form. It gives a man new strength and energy with which to pursue his daily toil, and can be relied upon at all times to benefit and give perfect satisfaction.

You can't invest half a dollar to better advantage than in a box of Ferrozone. Your druggist has it or it will be mailed to your address if price is forwarded to N. C. Polson & Co., Kingston, Ont.
