(Last week's news.) Mr. and Mrs. Alf. Thistlewaite have moved from the John Wright farm to the Bradbury property at the agriculparal grounds, which was purchased by them last fall. Mr. John Thistlewaite is now working the farm vacated by

his father. Mr. Fred Wright, west back line, has bought the old Morrison farm from Mr. Thos. Grainger, who has moved to his other property near by. Mr. Wright's mother and sister will, we understand, live with him in his new home. Mr. John Wright remains on the old homestead opposite.

About sixty young people attended a party given by Mr. and Mrs. Will Moore at their home on Collingwood street on Friday night last. As host and hostess, Mr. and Mrs. | Moore excelled and with the amusements provided it was far past midnight before the company dispersed.

The Misses Joy and Mr. and Mrs. Sheppard were in Durham on Thursday evening last furnishing the musical part of the programme at an entertainment in the Methodist church, Our talented vocalists were given a pleasing reception and very hearty tokens of appreciation by a large audience. . A public meeting was held in

town hall on Friday evening last to Burwell and Georgian Bay railway, which, if built, is likely to touch this place. Mr. A. S. VanDusen was appointed a delegate to Ottawa in the interests of the project. At the meeting of the Artemesia council on Monday next the sending of a municipal delegate also will be considered.

Rev. C. W. Watch, of Shelburne, preached very able sermons in the Methody Church here on Sabbath last. Mr. Watth is a good thinker, a pleasingly clear and impressive speaker and we are sure his visit here was one of pleasure and profit to the congregation. Rev. Mr. Wilson, who had returned from Erighton, his mother having taken a turn for the better, supplied Mr. Watch's pulpit at Shelburne.

On Wednesday evening of last week a family gathering at which a number of old neighbors were present, was held at Mr. and Mrs. Alex. Stewart's, west back line, as a farewell to the old place before taking up their residence here, which they did on Monday last. Mr. and Mrs. John Stewart returned that evening from their wedding trip their man home where they are now settlet. An enjoyable evening was spent by all. Mr. Stewart, sr., is being the last brother, Mr. John Stewar of Nellynska, who has not Nebrasi and is taking a holiday. He purposes visiting Scotland during the

A memorial service for the late Chas Hales was held in the Methodist church on Salbuth morning last. The pastor's text, "The day of the Lord so cometh as a thief in the night," was a fitting commentory on the death of the deceased, who was called while he slept in the night. At the evening service Mr. Wilson commenced a series of

home, when a mile from home the tongue fell from the neckyoke, causing the horses to run swhy and upset the rig. She was dragged by the lines for some distance and when picked up was unconscious, dying soon after.

The members for Grey, M. K. Richardson, of this place. Dr. Sproule, of Markdale, and T. I. Thompson, of Owen Sound, were, we were pleased to notice, by their vote in the House of Commons last week among the number whom the Weekly Sun, Toronto, justly designated "real friends of the farmers." On motion by Hon. Blair to refer Mr. Lancaster's cattle guard bill to the Railway Committee, where by a vote of 90 it was sent and will in all probability be buried. Grey's representatives, with 50 others, protested a gainst this injustice to the farmers.

Messrs. Boyd, Hickling & Co. held their millinery opening last week and not only were the members of the firm highly pleased with the display made by their artist, Miss Osborne, but from their numerous admiring patrons who attended, came many flattering words of praise of the stylish and beautiful creations in headgear, as well as in trimmings and other nobby goods on exhibition. It was pronounced the prettiest opening this firm has yethad. Among the hats most admired was large white picture hat, trimmed with discuss matters relative to the Port ribbon and plumes. Another which was very pretty was the new turban shape of white tucked chiffon, with a large white plume falling over the hair. In black and colors there were some very stylish creations which attracted much attention, as did also the popular flop hats for children.

The 31st regiment, Grey County, is, we understand the only regiment in the Brigade to which it belongs that is without a set of colors. A movement has been on foot for some time to raise the required funds to purchase the same, and some parts of the county have responded nobly, but, we understand, nothing has been done by this section of the county represented by No. 6 company located here. The project is, we believe, in some form to be started here, and we have no doubt but that the numbers of No. 6, new and old, and the loyal citizens of this section will as cheerfully contribute their quota as has been done by any other part of the county. . If the good citizens of the district will "Herald the News," "rally round the Standard," and "sound the Advance," we shall in and were given, a nearty welcome to due time be able to "Chronicle" the going forth in splendor the 31st "terrible as an army with banners.".
