MUSTARD FOR THE BRAIN.

Girls who value a good complexion and cheerful spirits are advised to eat plenty of spinach. It contains salts of potassium and iron, and other wholesome ingredients. The iron in it is easily assimilated. A vegetable not generally made much of by housewives, because it is among the less expensive kinds, it is put in first place by the food experts, and should be more generally used. People troubled with poor memories are urged to eat mustard. The seed of the mustard plant is credited with very quickening, livening properties; said to have direct influence on those brain-cells that have to do with forgetting and remembering. Nervous folks ought to partake often of cheese, which acts as a sedative. They should beware of eating cheese to excess, however, as it is a tax on the digestion.

Spinks — "What made him so mad?" Winks — "He told his wife she had no judgment, and she just looked him over critically from head to foot and said she was beginning to realize it."

HEART DISEASE.

Trouble Much More Common Than Is Generally Supposed.

A healthy person does not feel the heart at all. If the heart makes itself felt it is a sure sign of some one of the many phases of heart trouble. Some of the symptoms of heart trouble are shortness of breath, trembling of the hands, violent throbbing or fluttering of the heart, sharp spasms of pain, oppression on the chest, dizziness and clammy sweating, irregular pulse, and the alarming palpitation that is often felt most in the head or at the wrists. Of course people suffering from heart trouble haven't all these symptoms, but if you have any of them it is a sign of heart trouble and should not be neglected for a moment.

Most of the troubles affecting the heart are caused by anaemia, indigestion or nervousness, and when any of these causes lie at the root of the trouble it can be surely cured by the use of Dr. Williams' Pink Pills. You mustn't trifle with common medicines, and above all you shouldn't further weaken your heart by using purgatives. You must cure your heart disease through the blood with Dr. Williams' Pink Pills. You can easily see why this is the only way to save yourself. The heart drives your blood to all parts of the body. Every drop of your blood flows through your heart. If your blood is thin or impure your heart is bound to be weak and diseased; if your blood is pure, rich and healthy, it will naturally make your heart sound and strong. Dr. Williams' Pink Pills actually make new, rich, red blood. And that new, rich, red blood strengthens your stomach, stimulates your liver, soothes your nerves and drives out of your system all the disorders that helped to disturb your heart. This has been proved in thousands of cases. Here is a case in point. Mr. Adelard Lavoie, St. Pacome, Que., says: "For nearly three years I was greatly troubled with a weak heart, and in constant fear that my end would come at any time; the least exertion would overcome me; my heart would palpitate violently and I would sometimes have a feeling of suffocation. I was under the care of a doctor, but did not get relief, and eventually my condition became so bad that I had to discontinue work. While at my worst a neighbor advised me to try Dr. Williams' Pink Pills. I did so, and they simply worked wonders in my case. I used only half a dozen boxes when I was able to return to my work, strong and healthy, and I have not since had any sign of the old trouble."

We would again impress upon those who are ailing that they must get the genuine pills with the full name, "Dr. Williams' Pink Pills for Pale People," on the wrapper around every box. Sold by all dealers or by mail at 50 cents a box or six boxes for $2.50 by writing to the Dr. Williams' Medicine Co., Brockville, Ont.

Cheerful Widow — "Why so dismal?" Future Husband — "I am afraid our wedding trip will take all the cash I've saved up." "What of it? A wedding trip only happens once in five or six years."

A BLESSING TO CHILDREN.

Strong words, but truthful, and the experience of a mother who has thoroughly tested the value of Baby's Own Tablets. Giving her experience with the use of this medicine, Mrs. Geo. Hardy, of Fourchu, N. S., writes: "I have used Baby's Own Tablets and find them a blessing to children, and I am not satisfied without a box in the house at all times." These Tablets cure all the minor troubles of babyhood and childhood. They are prompt and effective in their action, and are guaranteed to contain no opiate or harmful drug. They always do good — they cannot possibly do harm. Good-natured, healthy children are found in all homes where Baby's Own Tablets are used. You can get these Tablets from any druggist, or by mail at 25 cents a box by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont.

Some people waste all their sympathy on others instead of reserving a few doses for their own trials and tribulations.

PAPER FLOORS.

Paper floors are growing in favor in Germany. They have no joints to harbor dust, fungi, or vermin, and feel soft under foot. They are also cheaper than hardwood floors. The paper is spread in the form of paste, rolled, and, when dry, painted to imitate wood.

"No, ma'am," said Bridget, frankly, but with evident surprise; 'no, ma'am, it don't sound right, but I were only a-settin' there the mather of a half-hour or so wid my cousin Terrence, who is just over. TRAINING HORSES.

However little credit a horse may commonly receive for possessing delicacy of scent, there are some perfumes grateful to him. Horse trainers are aware of the fact, and make use of their knowledge in training stubborn and apparently intractable animals. Many trainers have favorite perfumes, the composition of which they keep a secret; and it is the possession of this means of appealing to the horse's aestheticism that enables so many of them to accomplish such wonderful results.

CHECK UPON THIEVES.

The Christiania police have hit upon a characteristic method of keeping a control over the proceedings of professional thieves. Each of these gentry has received a number and is now required to report himself at least twice a day at headquarters. By this time the chief constable is speedily able to satisfy himself whether the members of the fraternity are "in town," or whether, as frequently happens, they have made an excursion beyond the city precincts to attend to a "job."

DR. HAMMOND'S OPINION.

Expert Testimony on Wheeling—The Revival.

Dr. Hammond, one of New York's most foremost physicians, and an active member of the New York Athletic Club, was recently interviewed by a representative of the New York press, and asked his opinion as to the merits of cycling as exercise. The doctor stated very decidedly that he considered it absolutely the best possible, if taken with discretion. He of course excluded all persons with very weak hearts, or people of extremely delicate constitutions, but said that nearly every patient going through his hands rode a bicycle when convalescent, and that it was remarkable what progress they made towards health.

In Canada there has been an unprecedented revival in wheeling; and it can be traced to no better cause than to the introduction of the Hygienic Cushion Frame. To use the words of the advertiser, "It is to wheeling what the 'Pullman' is to railroading," and these words put the argument in the proverbial nutshell. It allows the rider to hold a uniform position, while the wheels accommodate themselves to the roadbed. It has made bicycling an absolutely pleasant and healthy form of outing. "Massey-Harris," "Cleveland," "Brantford" and "Perfect" bicycles have this cushion frame.

WATER VALUABLE IN VENICE.

In Venice water is somewhat of a luxury, as the inhabitants have to depend upon the rains, and there is no company for supplying the city. The water for drinking and domestic uses is collected in subterranean reservoirs, where it is said to be filtered. It is doled out at the public wells, which are opened one hour daily for that purpose, and they are carefully locked up.

TELLS HIS FRIENDS TO USE DODD'S KIDNEY PILLS FOR KIDNEY PAINS.

Lew Dake Well-Known Hotel-keeper Gives His Experience With Canada's Great Kidney Remedy.

St. Thomas, Ont., April 20.—(Special.)—Everybody in St. Thomas and the surrounding country knows Lew Dake, proprietor of the Dake House and one of this railway center's most popular citizens and many people know that for years he was the victim of a very aggravated form of Kidney Disease. To-day he is a sound, healthy man. He used Dodd's Kidney Pills.

Speaking of the matter recently, Mr. Dake said'

"I had been troubled for over five years with my Kidneys and pains in my back. Nothing I used could give me any relief till finally on the advice of a friend I started to use Dodd's Kidney Pills.

"By the time I had finished one box the pains and Kidney Disease was gone. That is over five years ago now, and as I have had no return of the trouble since, I think I am safe in concluding that the cure was permanent.

"I advise all my friends who are troubled in the same way to use Dodd's Kidney Pills."
