

My Hair

"I had a very severe sickness that took off all my hair. I purchased a bottle of Ayer's Hair Vigor and it brought all my hair back again."

One thing is certain,—Ayer's Hair Vigor makes the hair grow. This is because it is a hair food. It feeds the hair and the hair grows, that's all there is to it.

If your druggist cannot supply you, send us one dollar and we will express you a bottle.

FLESHERTON HAPPENINGS

On Wednesday evening of last week a quiet wedding took place at the residence of Mr. and Mrs. William Walker, near Eugenia, when their daughter Blanche was joined in marriage to Mr. A. D. Thurston, of Toronto. Only a few immediate relatives of the bride and groom witnessed the ceremony, which was performed by Rev. L. W. Thom, of this place. Mr. J. P. Bunt, of this place, and the bride's sister, Miss Beatrice Wilson, discharged the duties of groomsmen and bridesmaid. The bride and bridesmaid were becomingly gowned in white, and the bride wore the conventional bridal veil. After the ceremony a dainty wedding repast was served, and an enjoyable evening was spent by all present. The following day Mr. and Mrs. Thurston left for the Soo, there to join the former's brother, Dr. F. Thurston and his bride, who were also married on Wednesday in Chicago, and sailed for the Soo in the doctor's electric yacht on which the newly wedded couples chaperoned by the editor of the Flesheron Advance, will cruise for a couple of weeks amid the enchanting scenery of the upper lakes. Of the unique wedding holiday, which we trust will be one of much pleasure for all, we shall hope to hear from the Advance editor on his return to his sanctum. Though the editor is off on a holiday, the Advance is to move on as usual, edited by his better half and staff.

Early on Saturday morning last the angel of death visited the home of Mrs. G. Milligan here and bore to the spirit land her eldest and dearly beloved daughter, Genevieve, who had for two years been ill with disease of a pulmonary nature. On Monday forenoon an appropriate service was conducted at the house by her pastor, Rev. Ivison Wilson, after which her remains were laid at rest in the Flesheron cemetery. Deceased, who was 18 years of age, was a bright young christian woman and bore her illness with much patience and resignation. Her end was peace, but her early removal is a great trial to her sorrowing mother, who has the sympathy of many friends in her bereavement.

On Thursday last the remains of Mrs. Henry Fenwick, who expired suddenly with heart failure at her home at Eugenia on Tuesday evening, were followed by a very large funeral cortege and interred in the public cemetery here on Thursday. Rev. W. Sinclair conducted the burial services. Deceased was 65 years of age and leaves a husband and grown up family.

Mr. Chas. Stafford, of the 4th line, has successfully raised a big barn by block and tackle method. The building is 60x70 and is set on a fine stone basement. Mr. M. Gillespie did the stone work and the framing and finishing is being done by Mr. J. McDonald.

Born.—On Tuesday of last week to Mr. and Mrs. Alf. Thistlewaite, of this place, a daughter, still born. At the morning service in the Methodist church on Sabbath last Rev. Mr. Wilson dealt prospectively with his third year in Flesheron and in the course of his address, announced that Rev. Arthur Browning, of Toronto, who is well known by the congregation, would assist in special services in October, the season designated by the President of Conference for special effort and religious quickening in all the churches.

The campers have returned from the Bell and Ewart lakes and are stocked with the usual fish, snake and bear stories. A fine black bear was sighted one evening taking his bath, but unfortunately the firearms at hand were not sufficient to despatch him. Later one of the party in a thick came upon their camp dog so suddenly that he thought he had hit on bruin sure, and the sensation produced during the recovery of senses is said to have been that of the hair assuming the perpendicular. Another of the party, who is said to have a horror of snakes, and one night before retiring found one in his bed, was given a similar shock by one of his companions, who one night placed a twisted wet towel in his bed which when discovered was thought to be the touch of one of the detested tribe and it had the desired lusty rising effect. The prank was enjoyed by all.

On Monday evening a horse belonging to Mr. A. Thistlewaite made a lively run down front street with a stone boat at its heels. It was interestingly watched in its escapade and was captured without injury to anyone or serious damage done. The Field family had a re-union last week and while together had a group photograph of the family taken. Mr. A. Munshaw and four sisters, who have been enjoying a visit together, had in like manner a photograph taken as a memento of their re-union.

On Sunday Mr. Holmes, accompanied by his sister, Mrs. Jas. Johnston, of this place, drove to Drumore to visit their sister, Mrs. James Tucker, whom the former has not seen for upwards of thirty years. They returned to Flesheron on Sunday evening.

Mrs. (Dr.) Reid and Master Clarence of Detroit, are visiting her sister, Mrs. W. W. Trimble. Mrs. Heron, of Buffalo, was the guest of Mr. Geo. Mitchell part of last week. Mrs. M. K. Beaton, of Trout Creek, paid Mrs. Herb Smith and other friends here a short visit last week.

Mr. W. Moore had a very busy time of it last week. The number of sets of harness disposed of will necessitate some vigorous work and work from his right hand man, "Billy" English, who has returned in excellent form from his camping holiday. The recent phenomenal increase in circulation marks the popularity of the STANDARD. To the editor we tender congratulations.

9th Line, Euphrasia. Wm. Woods, of Beaverdale, has commenced the seasons' threshing, at John Lee's, on Monday. Miss Lizzie Walker is visiting friends at Vandeleur.

Mr. Lewis Knott, of Toronto, visited his sister, Mrs. A. Boales. Miss Rebecca Gould, who has been ill for some time is able to be out again. Mr. George Shore is recovering from a severe cold.

Mr. B. Cutting has purchased a binder. Mr. John Dillon, of Rocklyn, has completed Wm. Boyd's 40x50 strawshed. He also erected a barn for Jos. Leopold, both these frames were without mist or loose brace. John is the most expert framer north of Toronto.

Vandeleur. Miss Minnie Graham, of Petrolia, is holidaying at the parental home. Miss Ettae Douglas and Miss Mason are visiting friends at Rocklyn. A number of the Sons of Temperance of this place visited Rocklyn lodge last Monday night and report an enjoyable time. A very pleasing event took place at the home of Mr. Wm. Buchanan last Thursday evening when a large number of both young and old people of the neighborhood gathered together to spend an evening with Mr. Walter Verity prior to his departure for the West. After a pleasant time had been spent in games of various kinds, Mr. Verity was called upon and presented with a watch chain, gentleman's companion and a copy of Shakespeare's poems, accompanied by a nicely worded address. Walter replied in a very appropriate manner, thanking them for their token of respect.
