My hair came out by the handful, and the gray hairs began to creep in. I tried Ayer's Hair Vigor, and it stopped the hair from coming out and restored the color. Mrs. M. D. Gray, No. Salem, Mass.

There's a pleasure in offering such a preparation as Ayer's Hair Vigor. It gives to all who use it such satisfaction. The hair becomes thicker, longer, softer, and more glossy. And you feel so secure in using such an old and reliable preparation.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, S. C. AYER CO., Lowell, Mass.

Watch Repair or a Clock or a piece of fine Jewellery or in fact any piece of light mechanical work that you require expert attention to, you will certainly find my facilities for accommodating you equal to any, though I do not claim wisdom superior to mankind as may sometimes be seen in advertising. Still I am satisfied to allow the public to judge as to the truth of the above, and patronize me according to my merits.
