While engaged at the stove, a broom in the young girl's hand caught fire, from which her clothing ignited and before the flames could be extinguished she was terribly burned in the back and down one limb. Dr Carter is doing what he can to relieve her distress and we trust will be successful in saving her life. The girl's eldest sister had her hands considerably burned rescuing her from her perilous condition.

After a few months of rapidly failing health, Magdalene Bentham, relict of the late Richard Bentham, passed away on Thursday last at the home of her son in-law, Mr. Wm Wilcox, west back line. Mrs. Bentham, who had reached the good age of 87 years and tive months, was a very active and energetie wom in until about a year ago when her strength began to fail, and she, with her husband who died less than five months ago, went to live with her dauguter, who gave her most ook place on Saturday to the cemetery here and was largely attended. The 26th anniversary of the opening of the Methodist church was successfully celebrated on Sabbath last. Rev. Wm. The thankoffering was over \$100. The choir rendered special music. Mr. Johnston also preached at Menford Road in the afternoon and was also a speaker at their fowl supper on Monday evening The Methodist choir, Miss Christine Richardson and Miss Bunt were also t ere to entertain.
